TRADEMARK SECURITY AGREEMENT  
(SHORT-FORM)

TRADEMARK SECURITY AGREEMENT, dated as of June 29, 2020, (this “**Agreement**”) among MEREDITH CORPORATION, an Iowa corporation, located at 1716 Locust Street, Des Moines, Iowa 50309, (the “**Issuer**”) as Grantor, the other Grantors identified on the signature pages hereto and U.S. BANK NATIONAL ASSOCIATION, as Collateral Agent for the Holders (the “**Collateral Agent**”).

Reference is made to the Security Agreement, dated as of June 29, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Issuer, as Grantor, the other Grantors party thereto from time to time and the Collateral Agent. The Grantors are affiliates of the Issuer, will derive substantial benefits from the issuance of the Notes pursuant to the Indenture and the undersigned Grantors are willing to execute and deliver this Agreement pursuant to the Security Agreement. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Indenture, as applicable. The rules of construction specified in Article I of the Indenture also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Notes Obligations, including the Guarantees, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does pledge to the Collateral Agent for the benefit of the Holders, and did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Holders, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names and other source or business identifiers protected under the laws of the United States or any state or political subdivision thereof, all registrations and recordings thereof, all registration and recording applications filed in connection therewith in the USPTO, and all renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor, including those listed on Schedule I hereto, and
- (b) all goodwill connected with the use thereof and symbolized thereby; *provided* that the grant of security interest shall not include any “intent-to-use” trademark applications prior to the filing and acceptance of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent that a Lien on such intent-to-use trademark applications prior to such filings would adversely affect the enforceability or validity of such intent-to-use trademark applications.

Section 3. Termination. This Trademark Security Agreement and the security interest granted hereby shall automatically terminate with respect to all of a Grantor's Notes Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver to any Grantor as such Grantor may request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such termination or release, the Collateral Agent shall reasonably cooperate with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York without giving effect to any conflicts provisions that would result in the application of the laws of another jurisdiction.

Section 6. Intercreditor Agreement Governs. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to this Agreement are expressly subject to the First Lien Intercreditor Agreement (if in effect) and (ii) the exercise of any right or remedy by the Collateral Agent hereunder and the First Lien Intercreditor Agreement (if in effect) is subject to the limitations and provisions of the first Lien Intercreditor Agreement (if in effect). In the event of any conflict between the terms of the First Lien Intercreditor Agreement (if in effect) and the terms of this Agreement, the terms of the First Lien Intercreditor Agreement (if in effect) shall govern.
