TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement") is made and entered into by and between Imple Data, Inc., a Delaware corporation with an address of 1633 Old Bayshore Highway, Suite 232, Burlingame, CA 94010 ("Assignor") and The Apache Software Foundation, a Delaware Corporation with an address of 401 Edgewater Place, Suite 600, Wakefield, MA 01880 ("Assignee") (hereafter referred to collectively as "Parties" and individually as "Party").

WHEREAS, Assignor is the owner of the worldwide rights, interests and claims in, and title to the trademarks set forth in the table attached hereto as Exhibit A together with the common law rights and goodwill associated therewith (the "Trademarks");

WHEREAS, Assignor wishes to assign and Assignee wishes to receive all rights in the Trademarks;

WHEREAS, Assignor will transfer its worldwide rights, interests and claims in, and title to the Trademarks, together with the common law rights and goodwill associated therewith and the registrations as listed therein, to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby contributes, conveys, grants, sets over, assigns and transfers to Assignee and its successors and assigns, and Assignee hereby accepts, Assignor's entire worldwide right, interest and claim in, and title to the Trademarks, together with the common law rights and goodwill associated therewith and the pending applications and registrations as listed in the attached Exhibit A, together with the right to sue for and collect upon all claims for profits and damages as a result of past infringement of the Trademarks, if any, in each case whether now existing or hereafter created, together with the proceeds thereof.

Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, to take any and all steps, including proceedings at law, in equity or otherwise, to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and related causes of action more effectively in Assignee or to protect the same or to enforce any claim or right of any kind with respect thereto.

Assignor on and after the Effective Date of this Agreement, shall at the reasonable request and the expense of Assignee: (a) execute and deliver or cause to be delivered any documents and further instruments of assignment consistent with the present assignment and that may be reasonably required to evidence or effectuate the assignment of the Trademarks, and (b) take or cause to be taken all such other actions, as may reasonably be deemed necessary or desirable in order for Assignee to obtain the full benefits of the present assignment of all the Trademarks and to maintain and enforce the Trademarks in all countries.

Each party represents that it has the power and authority to enter into this Agreement. If any term of this Assignment is held void, voidable, invalid, inoperative or unenforceable for any reason, the remainder of such term shall be amended to achieve as closely as possible the effect of the original term, and all other terms shall continue in full force and effect.

This Agreement shall be deemed effective only as of the date on which it has been fully executed by all parties (the "Effective Date"). It may be executed in any number of identical counterparts, each of which shall be deemed an original, but all of which when taken together, shall constitute one and the same instrument.

The terms and covenants of this assignment shall inure to the benefit of Assignee, its successors and assigns, and shall be binding upon Assignor and its assigns.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment Agreement to be duly executed on their respective behalf, by their respective officers thereunto duly authorized, all as of the day and year first above written.
