SECTION 2. **Security Interest.**

(a) **Grant of Security Interest.** As security for the payment and performance of the Indebtedness (as defined the Security Agreement), Debtors hereby grant to Secured Party a security interest in, and a mortgage upon, all of Debtors’ right, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which any of the Debtors now have or hereafter own, acquire or develop an interest and wherever located (collectively, the “Collateral”):

(i) All state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names (but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark or other mark), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names and applications as described in **Schedule A**), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

provided that, the foregoing shall not include “intent to use” trademarks.

(b) **Continuing Security Interest.** Each of the Debtors agree that this Agreement shall create a continuing security interest in the Collateral which shall remain in effect until terminated in accordance with § 11.

SECTION 3. Supplement to Loan Agreement, Security Agreement and Guaranty. This Agreement has been entered into in conjunction with the security interests granted to Secured Party under the Loan Agreement, Security Agreement, Guaranty or other security

documents referred to therein. The rights and remedies of Secured Party with respect to the security interests granted herein are without prejudice to and are in addition to those set forth in the Loan Agreement, Security Agreement, Guaranty or any other security documents referred to therein, all terms and provisions of which are incorporated herein by reference.

SECTION 4. Representations and Warranties. Debtors each represent and warrant to Secured Party that:

(a) **Trademarks.** As of the date hereof, a true and correct list of all of the existing Collateral consisting of U.S. trademarks, trademark registrations or applications owned by any of the Debtors, in whole or in part, is set forth in **Schedule A**.

On a continuing basis, Debtors shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be necessary or advisable or may be requested by Secured Party to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure Debtors' compliance with this Agreement or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with the PTO or any applicable state office. Secured Party may record this Agreement, an abstract thereof, or any other document describing Secured Party's interest in the Collateral with the PTO, at the expense of Debtors. In addition, Debtors authorizes Secured Party to file financing statements describing the Collateral in any UCC filing office deemed appropriate by Secured Party. If the Debtors shall at any time hold or acquire a commercial tort claim arising with respect to the Collateral, the Debtors shall immediately notify Secured Party in a writing signed by the Debtors of the brief details thereof and grant to the Secured Party in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Secured Party.

SECTION 6. Authorization to Supplement. If Debtors shall obtain rights to any new trademarks, the provisions of this Agreement shall automatically apply thereto. Debtors shall give prompt notice in writing to the Secured Party with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Debtors' obligations under this § 6, each of the Debtors authorizes Secured Party to modify this Agreement by amending **Schedule A** to include any such new patent or trademark rights. Notwithstanding the foregoing, no failure to so modify this Agreement or amend **Schedule A** shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all Collateral, whether or not listed on **Schedule A**.

SECTION 7. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtors, Secured Party and their respective successors and assigns. Debtors may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder except as specifically permitted by the Security Agreement.

SECTION 8. Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the Commonwealth of Massachusetts, except as required by

mandatory provisions of law or to the extent the validity, perfection or priority of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than Massachusetts.

SECTION 9. Entire Agreement; Amendment. This Agreement and the Loan Agreement, Security Agreement and Guaranty, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement. Notwithstanding the foregoing, Secured Party unilaterally may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in § 6 hereof. To the extent that any provision of this Agreement conflicts with any provision of the Loan Agreement, Security Agreement or Guaranty, the provision giving Secured Party greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Secured Party under the Loan Agreement, Security Agreement or Guaranty.

SECTION 10. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile shall be equally as effective as delivery of a manually executed counterpart. Any party hereto delivering a counterpart of this Agreement by facsimile shall also deliver a manually executed counterpart, but the failure to so deliver a manually executed counterpart shall not affect the validity, enforceability, or binding effect hereof.

SECTION 11. Termination. Upon payment and performance in full of all Indebtedness, the security interests created by this Agreement shall terminate and Secured Party (at Debtors' expense) shall promptly execute and deliver to Debtors such documents and instruments reasonably requested by Debtors as shall be necessary to evidence termination of all such security interests given by Debtors to Secured party hereunder, including cancellation of this Agreement by written notice from Secured Party to the PTO.

SECTION 12. No Inconsistent Requirements. Each of the Debtors acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtors each agree that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

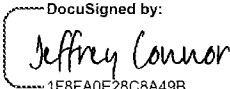

SECTION 13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

SECTION 14. **Notices.** All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Security Agreement.
