B. **WHEREAS** Assignor is the newly formed entity created by the same founding parties as Assignee;

C. **WHEREAS** Assignee desires to acquire all of Assignor's right, title and interest, in and to the Marks together with all the goodwill of the Marks symbolized thereby, and Assignor desires to assign all such right, title and interest in and to the Marks to Assignee, upon the terms and conditions set forth herein.

- (iv) there are no liens or security interests or other encumbrances against the Marks;
- (v) Assignor has all authority necessary to enter into this Agreement and the execution and delivery of this Agreement has been duly and validly authorized; and
- (vi) execution of this Assignment and performance of Assignor's obligations hereunder shall not violate or conflict with any other agreement to which Assignor is a party or provision of Assignor's Certificate of Incorporation or bylaws.

3. Assignor shall execute and deliver to Assignee on or before the Effective Date the Trademark Assignment in the form shown on the attached Exhibit B. At any time, and from time to time after the Effective Date, at Assignee's request, Assignor shall execute and deliver such other instruments of sale, transfer, conveyance, assignment and confirmation and take such other action, at Assignor's expense, as Assignee may reasonably deem necessary or desirable in order to perfect or otherwise enable the transfer, conveyance and assignment to Assignee and to confirm Assignee's title to the Marks and any and all federal and state trademark registrations thereof or applications therefore.
