TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of August 25, 2020 (this “Agreement”), is made by each of the signatories hereto indicated as a Grantor (each a “Grantor” and collectively, the “Grantors”) in favor of U.S. BANK NATIONAL ASSOCIATION, in its capacity as trustee and as collateral agent for the Secured Parties (in such capacity, together with its successors and assigns, the “Agent”).

WHEREAS, Abercrombie & Fitch Management Co., a Delaware corporation (the “Company”), has issued 8.75% Senior Secured Notes due 2025 in an aggregate principal amount of \$350.0 million pursuant to that certain Indenture, dated as of July 2, 2020 (as it may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, including in connection with the issuance of additional notes thereunder, the “Indenture”), by and among the Company, the Guarantors (as defined in the Indenture) party thereto and the Trustee;

WHEREAS, as a condition precedent to the purchase by the initial noteholders pursuant to the Indenture, the Company and each of the Guarantors entered into a Security Agreement dated as of July 2, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”) among the Company, each of the Guarantors and the Agent, pursuant to which the Company and each of the Guarantors pledged and granted to the Agent, for its benefit and the benefit of the other Secured Parties, a security interest in the Trademark Collateral (as defined below);

WHEREAS, pursuant to the Security Agreement, each Grantor agreed to execute and this Agreement, in order to record the security interest granted to the Agent for its benefit and the benefit of the other Secured Parties with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Agent as follows:

SECTION 1. Defined Terms

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Security Agreement, and if not defined therein, shall have the respective meanings given thereto in the Indenture.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security.

As collateral security for the payment and performance in full of all the Secured Obligations, each Grantor hereby pledges and grants to the Agent for its benefit and for the benefit of the other Secured Parties, a Lien on and security interest in and to all of the right, title and interest of such Grantor in, to and under the following property, wherever located, and whether

now existing or hereafter arising or acquired from time to time (collectively, the “Trademark Collateral”):

all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locators (URLs), domain names, corporate names and trade names, whether registered or unregistered, owned by or assigned to such Grantor and all registrations and applications for the foregoing (whether statutory or common law), including, without limitation, the registrations and applications listed on Schedule A hereto, together with any and all (i) rights and privileges arising under applicable law with respect to such Grantor’s use of any trademarks, (ii) reissues, continuations, extensions and renewals thereof, (iii) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including, without limitation, damages, claims and payments for past, present or future infringements thereof, (iv) rights corresponding thereto throughout the world and (v) rights to sue for past, present and future infringements thereof.

SECTION 2.2 Certain Limited Exclusions.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Agent for the Secured Parties pursuant to the Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Governing Law

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND EFFECT OF PERFECTION OF THE SECURITY INTERESTS).

SECTION 5. Counterparts

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

SECTION 6. Agent Protections

The Agent shall be entitled to all of the protections and indemnities afforded to the Trustee pursuant to the Indenture and such protection and indemnities are incorporated herein by reference.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
