## TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (“**Agreement**”), dated as of May 29, 2020 (the “**Effective Date**”), is entered into by and between Faultless Starch/Bon Ami Company, a Missouri corporation (“**Assignor**”), and AE OpCo I LLC, a Delaware limited liability company (“**Assignee**”).

### W I T N E S S E T H:

WHEREAS, Assignor owns certain trademark registrations and trademark applications set forth on **Schedule A** (collectively, the “**Assigned Marks**”);

WHEREAS, the Assigned Marks are subject to that certain Asset Purchase Agreement, dated as of the date hereof, by and between Assignor and Assignee (as the same may be further amended, modified supplemented, or replaced from time to time, the “**Purchase Agreement**”);

WHEREAS, pursuant to the Purchase Agreement, the Assigned Marks and their associated goodwill are to be assigned to Assignee;

WHEREAS, upon the Effective Date, Assignor desires to assign, transfer, convey and deliver to Assignee the Assigned Marks, together with all goodwill and all other rights associated with the Assigned Marks; and

WHEREAS, upon the Effective Date, Assignee desires to acquire and accept the Assigned Marks, together with all goodwill and all other rights associated with the Assigned Marks, from Assignor.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants herein contained (and including the premises and covenants set forth in the Purchase Agreement) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

1. Assignment. On the Effective Date, Assignor hereby irrevocably assigns, transfers, conveys and delivers to Assignee, and Assignee hereby accepts from Assignor, all right, title and interest that Assignor has in and to the Assigned Marks, together with (a) all goodwill of the business associated with or symbolized by the trademarks, service marks, trade names, trade dress, corporate names, logos, domain names, URLs and any other source identifiers of any kind or nature, in each case whether or not registered, included in the Assigned Marks, (b) all common law rights therein and in any elements of the Assigned Marks, including underlying word marks and design components, in each case to the extent permitted under applicable law, (c) all registrations that may be granted in any of the foregoing, (d) all extensions and renewals of the foregoing, (e) any past, present or future claims or causes of action (either in law or in equity) arising out of or related to any infringement, dilution or other violation of the Assigned Marks, and the right to sue for damages, injunctive relief or any other remedy or otherwise recover therefor, and (f) any and all income, royalties, damages and payments now or hereafter due and/or payable with respect to the Assigned Marks and the right to receive such income, royalties and payments, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made. The assignments contemplated herein are meant to be absolute assignments and not by way of security.

2. Recordation. Assignor hereby authorizes and requests the Director of the U.S. Patent and Trademark Office or any other official of any applicable governmental authority to record Assignee as

owner of the Assigned Marks and to issue any and all registrations, including renewals thereof, to Assignee, its successors, assigns, nominees or other legal representatives.

3. Further Assurances. As may be necessary and without further consideration, Assignor shall execute, acknowledge and deliver such other instruments, documents and agreements and shall do such other things as may be reasonably necessary, proper or advisable to carry out its obligations under this Agreement or as may be reasonably necessary, proper or advisable to more completely effectuate, consummate, record, perfect or confirm the transactions contemplated hereby, including by executing and delivering further assignments for the purpose of evidencing, perfecting and recording the assignment of the Assigned Marks in any jurisdictions, such assignments to be in a form reasonably satisfactory to Assignee and sufficient for recordation in the relevant jurisdiction. If Assignor fails to promptly take or execute any of the actions or documents described in this Section 22 after written request by Assignee, Assignor hereby constitutes and appoints Assignee as its true and lawful agent and attorney-in-fact, with full power of substitution, in the name and stead of Assignor but on behalf and for the benefit of Assignee, to take and execute in the name of Assignor any and all actions and documents that may be deemed proper to effectuate, consummate, record, perfect or confirm the transactions contemplated in this Agreement.

4. Waiver; Amendment. Neither this Agreement nor any provision hereof shall be waived, amended, modified, changed, supplemented, discharged or terminated except by an instrument in writing executed by the parties.

5. Section Headings. The section headings contained in this Agreement and the schedule thereto are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

6. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Missouri without giving effect to any choice or conflict of law provision or rule (whether of the State of Missouri or any other jurisdiction) and otherwise be subject to the provisions of Section 8.9 of the Purchase Agreement.

7. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

8. Third Party Rights. Nothing in this Agreement is intended or shall be construed to confer upon or give any person, other than the parties hereto and their respective successors, any rights or remedies under or by reason of this Agreement or any transaction contemplated hereby. This Agreement is binding upon and inures to the benefit of the parties and their respective successors and assigns.

9. Recitals. The above recitals are incorporated herein as if set forth at length below.

10. Conflict with Purchase Agreement. The representations, warranties and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. Notwithstanding anything to the contrary contained in this Agreement, in the event of any inconsistency between the statements in the body of this Agreement, and those in the Purchase Agreement, or the exhibits and schedules hereto and thereto, the statements in the body of the Purchase Agreement will control.
