Trademark Security Agreement

Trademark Security Agreement, dated as of September 30, 2020 (this “Trademark Security Agreement”), by Varex Imaging Corporation (the “Pledgor”), in favor of Wells Fargo Bank, National Association, in its capacity as trustee and collateral agent (in such capacity and together with any successors and assigns in such capacity, the “Agent”) for the benefit of the Notes Secured Parties pursuant to the Indenture (as defined below), as pledgee, assignee and secured party.

WITNESSETH:

WHEREAS, the Pledgor is party to a U.S. Security Agreement, dated as of September 30, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “U.S. Security Agreement”), in favor of the Agent pursuant to which the Pledgor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Notes Secured Parties, to enter into the Indenture, dated as of September 30, 2020 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Indenture”) by and among Varex Imaging Corporation, a Delaware corporation as issuer (the “Company”), the Subsidiaries of the Company from time to time party thereto and the Agent for the benefit of the Notes Secured Parties, the Pledgor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the U.S. Security Agreement and used herein have the meaning given to them in the U.S. Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Secured Obligations, each Pledgor hereby pledges and grants to the Agent for the benefit of the Notes Secured Parties a Lien on all of the right, title and interest of such Pledgor in, to and under the following Collateral, wherever located, whether now existing or hereafter arising or acquired from time to time (collectively, and, in each case, excluding any Excluded Property, the “Trademark Collateral”):

(a) all Trademarks, including those Registrations and applications of Trademarks set forth on Schedule I to this Trademark Security Agreement;

(b) all Goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing.

SECTION 3. U.S. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the U.S. Security Agreement and Pledgor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the U.S. Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this

Trademark Security Agreement is deemed to be inconsistent with or in conflict with the U.S. Security Agreement, the provisions of the U.S. Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of any executed counterpart of a signature page of this Trademark Security Agreement by facsimile, PDF or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 5. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND THE OTHER NOTES DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN ANY SUCH OTHER NOTES DOCUMENTS) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

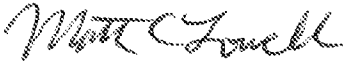

SECTION 6. Intercreditor Agreement. Each Person to whom or for whose benefit a Lien is granted hereunder, by accepting the benefits of the security provided hereby, (i) consents (or is deemed to consent), to the subordination of Liens provided for in the ABL Intercreditor Agreement or any applicable intercreditor agreement, (ii) agrees (or is deemed to agree) that it will be bound by, and will take no actions contrary to, the provisions of the ABL Intercreditor Agreement or any applicable intercreditor agreement, (iii) authorizes (or is deemed to authorize) the Agent on behalf of such Person to enter into, and perform under, the ABL Intercreditor Agreement or any applicable intercreditor agreement and (iv) acknowledges (or is deemed to acknowledge) that a copy of the ABL Intercreditor Agreement or any applicable intercreditor agreement was delivered, or made available, to such Person. Notwithstanding any other provision contained herein, this Agreement, the Liens created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the ABL Intercreditor Agreement or any applicable intercreditor agreement. In the event of any conflict or inconsistency between the provisions of this Trademark Security Agreement and the ABL Intercreditor or any applicable intercreditor agreement, the provisions of the ABL Intercreditor Agreement or such applicable intercreditor agreement shall control.

[signature page follows]

IN WITNESS WHEREOF, Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

VAREX IMAGING CORPORATION
