NOTICE OF SECURITY INTEREST IN TRADEMARKS

This NOTICE OF SECURITY INTEREST IN TRADEMARKS (this “Trademark Security Agreement”) is made this 4th day of September, 2020, by and among Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), and **WILMINGTON TRUST, NATIONAL ASSOCIATION**, not in its individual capacity, but solely in its capacity as collateral agent for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, the “Collateral Agent”).

W I T N E S S E T H:

WHEREAS, reference is made to that certain Indenture, dated as of September 4, 2020 (as amended, restated, supplemented, or otherwise modified from time to time, the “Indenture”), by and among SIJ, LLC, a Delaware limited liability company, as Issuer (the “Issuer”), the Grantors party thereto, as guarantors, Wilmington Trust, National Association, as trustee (in such capacity, the “Trustee”) and Collateral Agent, and each of the Lenders party thereto

WHEREAS, the Grantors shall have executed and delivered to the Collateral Agent, for the benefit of the Secured Parties, that certain Notes Collateral Agreement, dated as of September 4, 2020 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Notes Collateral Agreement”); and

WHEREAS, pursuant to the Notes Collateral Agreement, the Grantors are required to execute and deliver to the Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Notes Collateral Agreement or, if not defined therein, in the Indenture, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1(b) of the Notes Collateral Agreement, which rules of construction are incorporated herein by this reference, mutatis mutandis.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Each Grantor hereby unconditionally grants and pledges to the Collateral Agent, for the benefit of the Secured Parties, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

- (a) all of its Trademarks, including those referred to on Schedule I;
- (b) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

Notwithstanding the foregoing, no security interest is granted in and the Trademark Collateral shall not include any Excluded Property; provided that, if and when any such property shall cease to be Excluded Property, a lien on and security interest in such property (in favor of the Collateral Agent, for the benefit of the Secured Parties) shall automatically be deemed granted therein.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to the Collateral Agent, the Secured Parties or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the Notes Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Notes Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Notes Collateral Agreement, the Notes Collateral Agreement shall control.

5. AGREEMENT TO SUPPLEMENT. Grantors, when required pursuant to Section 6(c) of the Notes Collateral Agreement, hereby agree to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement is a Notes Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by electronic signature, telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by electronic signature, telefacsimile or other electronic method of transmission also shall deliver, upon request, an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original

executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

7. CHOICE OF LAW AND VENUE AND JURY TRIAL WAIVER. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE AND JURY TRIAL WAIVER SET FORTH IN SECTION 26 OF THE NOTES COLLATERAL AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.

8. CONCERNING THE COLLATERAL AGENT. Wilmington Trust, National Association is entering into this Trademark Security Agreement solely in its capacity as collateral agent under the Indenture and not in its individual capacity. In acting hereunder, the Collateral Agent shall be entitled to all of the rights, privileges, protections, indemnities and immunities set forth in the Indenture and the Notes Collateral Agreement as if such rights, privileges, protections, indemnities and immunities were set forth herein. The recitals contained herein shall be taken as the statements of the Grantors and the Collateral Agent assumes no responsibility for their correctness. The Collateral Agent makes no representations as to the validity or sufficiency of this Trademark Security Agreement.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Security Agreement to be executed and delivered as of the day and year first above written.
