Reference is made to that certain Pledge and Security Agreement, dated as of November 2, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the "Security Agreement"), among the Loan Parties party thereto and the Agent. The Lenders (as defined in the Term Loan Agreement (as defined below)) have extended credit to the Borrower (as defined in Term Loan Agreement (as defined below)) subject to the terms and conditions set forth in that certain Term Loan Agreement, dated as of November 2, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the "Term Loan Agreement"), by and among, inter alios, Backyard Midco, Inc., as Holdings, Backyard Acquireco, Inc., as the Borrower, the Lenders from time to time party thereto and Credit Suisse, in its capacity as administrative agent and collateral agent for the Lenders. SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. **Grant of Security Interest.** As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title and interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of the Grantor and regardless of where located (collectively, the "**IP Collateral**"):

- A. all Trademarks, including the Trademark registrations and applications for registration with the United States Patent and Trademark Office listed on Schedule I hereto;

in each case to the extent the foregoing items constitute Collateral. For avoidance of doubt, the security interest created hereby shall not extend to, and term "Collateral" shall not include any Excluded Assets (as defined by the Term Loan Agreement) including, any intent-to-use (or similar) Trademark application prior to the filing and acceptance of a "Statement of Use," "Amendment to Allege Use" or similar filing with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein may impair the validity or enforceability of such intent-to-use Trademark application under applicable law.

SECTION 3. **Security Agreement.** The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of

which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.
