CONFIRMATORY ASSIGNMENT

This CONFIRMATORY ASSIGNMENT (this “Confirmatory Assignment”) is entered into by and between INVISTA North America, LLC, a Delaware limited liability company, and INV Performance Surfaces, LLC, a Delaware limited liability company, effective as of the 1st day of October, 2020.

- A. INVISTA North America, LLC, a Delaware limited liability company, is the Assignor (“Assignor”);
- B. INV Performance Surfaces, LLC, a Delaware limited liability company is the Assignee (“IPS”);
- C. Assignor and IPS executed a certain Intellectual Property Assignment Agreement dated October 1, 2020, whereby Assignor sold all right, title and interest in and to the patents, trademarks and copyrights listed on Schedule I (collectively “Patents,” “Trademarks” and “Copyrights,” respectively) to IPS; and
- D. Assignor and IPS desire to execute this Confirmatory Assignment of the Patents, Trademarks and Copyrights.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor by these present confirms selling, assigning, and transferring unto IPS, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the Patents, Trademarks and Copyrights, together with the goodwill related thereto, along with any right to claim priority required for any of the Patents under any applicable convention, treaty, statute, or regulation, the Patents to be held and enjoyed by IPS, its successors, legal representatives, and assigns to the full end of the term of the Patents, Trademarks and Copyrights as fully and entirely as the Patents, Trademarks and Copyrights could have been held and enjoyed by Assignor as if the assignment and sale had not been made, together with all rights of actions for past infringement thereof including the right to recover damages for said infringement.

AND, Assignor hereby warrants and covenants that Assignor has not and will not execute any assignment or other instrument in conflict with this assignment;

AND, Assignor and IPS hereby covenant and agree to take such further actions and execute such further documents as may be reasonably necessary or appropriate to carry out this Assignment, including, for the avoidance of doubt, the execution and recordation of additional or amended confirmatory assignments to record the transfer of the Patents, Trademarks and Copyrights at all applicable registries in IPS’s name.
