Article 1: ASSIGNMENT:

Assignor hereby sells, assigns, transfers, and conveys to Assignee the whole and complete right, title, and interest in and to the Mark that has been or may be granted in the United States and any foreign countries, together with the goodwill of the business symbolized by the Mark. This Assignment includes any goodwill of any business relating to products or services on which the Mark has been used and for which it is registered. The Assignment also includes any and all royalties, income, or other such fees (which may include damages or fees for infringement) due or payable to Assignor regarding the Mark.

Article 3: RECORDATION:

Assignor will be responsible for causing recordation with the USPTO, by submitting all documents necessary to transfer ownership of the Mark. Assignor authorizes Assignee to complete recordation, and the USPTO and any other government officials to record and register this Assignment.

Article 4: SUCCESSORS:

The rights and obligations under this Assignment will inure to the benefit and be binding upon any of Assignee's successors and assignees, as well as Assignor's.
