**THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT IS SUBJECT TO THE SUBORDINATION AND INTERCREDITOR AGREEMENT, DATED AS OF JANUARY 26, 2021, AMONG DWIGHT FUNDING LLC, AS SENIOR LENDER, RADICAL INVESTMENTS LP, AS SUBORDINATED AGENT, THE LENDERS PARTY TO THIS SUBORDINATED LOAN AND SECURITY AGREEMENT, AS SUBORDINATED LENDERS, GUARDIAN BIKE COMPANY, AS BORROWER, AND GRANTOR (AS DEFINED BELOW), AS GUARANTOR, PURSUANT TO WHICH GRANTOR'S OBLIGATIONS UNDER THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT ARE SUBORDINATED IN THE MANNER SET FORTH THEREIN TO THE PRIOR PAYMENT OF CERTAIN OBLIGATIONS OWING TO THE HOLDERS OF THE SENIOR INDEBTEDNESS (AS DEFINED THEREIN).**

### **INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This Intellectual Property Security Agreement (as the same may from time to time be amended, restated, joined, extended, supplemented and/or otherwise modified from time to time, this "IP Security Agreement") is made and effective as of January 26, 2021 by Syscend, Inc., a corporation organized and existing under and pursuant to the laws of the State of Delaware (the "Grantor"), with a principal address of 2501 Gate Ridge Drive, Austin TX 78748, in favor of Radical Investments LP, as collateral agent for the Lenders under and as defined in the Subordinated LSA referred to below (the "Collateral Agent"), with a principal address of c/o Radical Investments Management LLC, 2931 Elm Street, Dallas, Texas 75226. Capitalized terms used in this IP Security Agreement and not otherwise defined shall have the respective meanings ascribed to such terms in the Subordinated LSA (defined below).

### **RECITALS**

A. Guardian Bike Company, a Delaware limited liability company (the "Borrower") has requested that the Lenders from time to time extend credit or otherwise make financial accommodations available to it, pursuant to the terms of that certain Subordinated Loan and Security Agreement dated as of even date herewith, among the Borrower, the Lenders from time to time party thereto and Collateral Agent (as the same may from time to time be amended, restated, supplemented, or otherwise modified from time to time, the "Subordinated LSA");

B. Under the terms of that certain Guaranty, dated as of the date hereof (as the same may from time to time be amended, restated, supplemented, or otherwise modified, the "Guaranty" and together with the Subordinated LSA and the Other Documents, collectively, the "Loan Documents"), by the Grantor in favor of Collateral Agent, Grantor has granted to Collateral Agent, for itself and for the benefit of the Lenders, a security interest in substantially all of Grantor's assets, and agreed to execute this IP Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and any other Governmental Body; and

**NOW, THEREFORE**, in consideration of the willingness of the Lenders and Collateral Agent to enter into the Subordinated LSA and of the Lenders to agree, subject to the terms and conditions set forth therein, to make the Term Loans to the Borrower pursuant thereto, and for

good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows:

1. Grant of Security Interest. To secure all of Borrower's Indebtedness under the Loan Documents and all of Grantor's obligations under the Loan Documents, Grantor hereby grants to Lender, a continuing security interest in and to all of the right, title and interest of Grantor in and to any and all of the following collateral, whether now owned or hereafter acquired by Grantor (collectively, the "Intellectual Property Collateral"):

- a. The U.S. and foreign copyrights, associated copyright registrations and applications for copyright registration, set forth on Schedule A attached hereto (collectively, the "Copyrights");
- b. The U.S. and foreign patents and patent applications set forth on Schedule B attached hereto, including, without limitation, divisions, continuations, reissues, extensions and continuations-in-part of the same (collectively, the "Patents");
- c. The U.S., state and foreign trademark and service mark registrations, trademark and service mark applications, and unregistered tradenames and trademarks, set forth on Schedule C attached hereto, including, without limitation, all common-law rights related to, and goodwill of the business associated with the foregoing (collectively, the "Trademarks");
- d. The domain names and registrations set forth on Schedule D attached hereto and all goodwill associated with the foregoing (collectively, the "Domain Names");
- e. Any and all claims and causes of action for past, present or future infringement of any of the foregoing, with the right, but not the obligation, to sue for and collect damages for infringement of the foregoing;
- f. Any and all licenses or rights granted under any of the foregoing, and all license fees and royalties arising from such licenses or rights, in each case to the extent permitted by such licenses or rights;
- g. Any and all amendments, renewals, extensions, reissuances and replacements of any of the foregoing; and
- h. Any and all products and proceeds of any of the foregoing.

2. Notwithstanding anything contained in this IP Security Agreement or any of the Loan Documents to the contrary, the term "Intellectual Property Collateral" shall not include any application for trademarks and servicemarks filed in the United States Patent and Trademark Office pursuant to 15 U.S.C. § 1051 Section 1(b), unless and until evidence of the use of such trademark or servicemark in interstate commerce is submitted to the United States Patent and Trademark Office pursuant to 15 U.S.C. § 1051 Section 1(c) or 1(d).

3. Requested Recordation. Grantor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks (and any state, foreign or other

authority to which this IP Security Agreement is submitted) file and record this IP Security Agreement (and any corresponding or separate forms of such jurisdiction) in order to publicly reflect the interests of the Lender in the Intellectual Property Collateral.

4. Assignment. Upon the occurrence of an Event of Default (subject to the applicable notice and cure periods therein), Grantor shall, upon request by Collateral Agent (at the direction of the Required Lenders), execute and deliver to the Lender an absolute assignment transferring its entire right, title, and interest in and to the Intellectual Property Collateral to Collateral Agent.

5. Power of Attorney. Grantor hereby irrevocably grants to Collateral Agent a power of attorney to act as Grantor's attorney-in-fact, with full authority in the name, place and stead of Grantor, from time to time in the Required Lenders' reasonable discretion, to take any action and to execute any instrument consistent herewith that the Required Lenders may reasonably deem necessary or advisable to accomplish the purposes of this IP Security Agreement. Collateral Agent shall promptly provide Grantor copies of any such executed documents. This authority includes, without limitation, the following:

- a. To modify or amend Schedule A, Schedule B, Schedule C, and/or Schedule D hereof, as appropriate, to include references to any registered Intellectual Property Collateral (or application or license therefor) acquired by Grantor after the execution hereof or to delete any reference to any Intellectual Property Collateral in which Grantor no longer has or claims any right, title or interest;
- b. Upon the occurrence and during the continuation of an Event of Default (subject to the applicable notice and cure periods therein), to execute, file and pursue any application, form or other document in order to perfect, maintain, continue or otherwise protect Collateral Agent's interest or Grantor's rights in the Collateral, including, without limitation, executing and filing (i) any financing statement, any continuation statement or any amendment thereto and (ii) any document in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or the relevant office of any state or foreign jurisdiction (including, without limitation, the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings) and to pay any fees and taxes in connection therewith or otherwise; provided, however, unless an Event of Default has occurred and is continuing (subject to the applicable notice and cure periods therein, if any), Collateral Agent will not take any actions which result in an assignment or transfer of title of such Intellectual Property Collateral to Collateral Agent. Notwithstanding the foregoing, unless an Event of Default (subject to the applicable notice and cure periods therein) has occurred and is continuing, Collateral Agent shall not undertake prosecution of any pending patent application listed in Schedule B before the United States Patent and Trademark Office; responsibility for such prosecution of any pending patent application listed on Schedule B shall remain with the Grantor's attorney of record before the United States Patent and Trademark Office;

- c. To execute any document required to acknowledge, register or perfect the interest of Collateral Agent in any part of the Intellectual Property Collateral without the signature of Grantor unless prohibited by applicable law;
- d. Upon the occurrence and during the continuation of an Event of Default (subject to the applicable notice and cure periods therein) to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Collateral Agent in the use of the Intellectual Property Collateral and (ii) take any other actions with respect to the Intellectual Property Collateral as the Required Lenders' reasonably deem to be in the best interest of the Lenders; and
- e. The foregoing power of attorney is coupled with an interest and is irrevocable until the Indebtedness secured hereby has been unconditionally and indefeasibly paid and performed in full (other than contingent indemnification obligations for which claims have not been asserted), the Subordinated LSA has been terminated (except for any obligations designated thereunder as continuing on an unsecured basis) and all commitments of the Lenders to make Term Loans have been terminated.

6. Release. Unless otherwise agreed in writing by the parties, the security interests granted herein will terminate (and all rights to the Intellectual Property Collateral will revert to Grantor) upon satisfaction of the following conditions: (a) payment and performance in full of all the Indebtedness (other than contingent indemnification obligations for which claims have not been asserted) secured hereby unconditionally and indefeasibly and (b) the termination of the Subordinated LSA (except for any obligations designated thereunder as continuing on an unsecured basis). Upon any such termination, Collateral Agent (at the Grantor's request and sole expense) will promptly execute and deliver to the Grantor such documents as the Grantor may reasonably request and as are provided to Collateral Agent evidence such termination. Immediately thereafter the deliveries set forth in the immediate preceding sentence, this IP Security Agreement shall terminate.

7. Newly Applied For or Newly Registered Copyrights, Patents, Trademarks and Domain Names. Until such time as this IP Security Agreement is terminated, Grantor shall provide Collateral Agent and the Lenders prompt written notice of each newly applied for or newly registered Copyrights, Patents, Trademarks and Domain Names (if any) owned by Grantor.

8. Miscellaneous.

- a. This IP Security Agreement has been entered into in conjunction with the provisions of and the security interest granted to Collateral Agent, for itself and for the benefit of the Lenders under the Loan Documents. The rights and remedies of the Grantor, Collateral Agent and the Lenders with respect to the security interests granted herein are in addition and without prejudice to those set forth in the Loan Documents, all terms and provisions of which are hereby incorporated herein by reference. In the event that any provisions of this IP Security Agreement are deemed to conflict with the Loan Documents, the provisions of the Loan Documents shall govern.

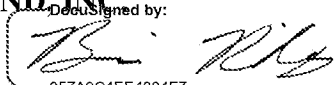

- b. This IP Security Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if all signatures were upon the same instrument. Delivery of an executed counterpart of the signature page to this IP Security Agreement by facsimile or other electronic means shall be effective as delivery of a manually executed counterpart of this IP Security Agreement. The words “execution,” “execute”, “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this IP Security Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of contract formations on electronic platforms, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
- c. **THIS IP SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES (EXCEPT 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATION LAW). FURTHER, THE LAW OF THE STATE OF NEW YORK SHALL APPLY TO ALL DISPUTES OR CONTROVERSIES ARISING OUT OF OR CONNECTED TO OR WITH THIS IP SECURITY AGREEMENT WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES (EXCEPT 51401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATION LAW).**
- d. Sections 24.1.1 and 25 of the Credit Agreement are hereby incorporated, mutatis mutandis, as if fully set forth herein and apply in all cases to this IP Security Agreement as if each reference therein to “Agreement” were a reference to this IP Security Agreement.
