TERMINATION OF TRADEMARK SECURITY AGREEMENT

This **TERMINATION OF TRADEMARK SECURITY AGREEMENT** (this “Termination”) is granted as of February 3, 2021 by GRAYCLIFF MEZZANINE III LP, a Delaware limited partnership, as administrative agent (in such capacity, together with its successors and permitted assigns, the “Agent”) in favor of J.G.B. Enterprises, Inc., a New York corporation (the “Grantor”).

WHEREAS, the Agent extended certain financial accommodations to the Grantor in the amounts and manner set forth in that certain Credit Agreement entered into as of December 13, 2018 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Credit Agreement”);

WHEREAS, as a condition of the Agent making the advances to the Grantor as set forth in the Credit Agreement, the Grantor granted the Agent a security interest in certain Trademark Collateral (as defined below) by way of a Trademark Security Agreement dated as of December 13, 2018;

WHEREAS, the Trademark Security Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office (“PTO”) on December 14, 2018, at Reel 6501, Frame 0256, against certain trademarks identified on Exhibit A hereto;

WHEREAS, the Borrower has satisfied all of the obligations under the Credit Agreement and has requested that the Agent terminate and release its security interest in and liens on the Trademark Collateral as herein provided.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby agrees as follows:

(1) Definitions.

(a) All capitalized terms used herein shall have the meaning ascribed to them in the Credit Agreement, unless otherwise defined in this Termination.

(b) The term “Trademark Collateral”, as used herein, shall mean

(i) the trademark registrations and applications set forth on the schedule to the Trademark Agreement and Exhibit A hereto, together with the goodwill connected with the use of and symbolized thereby and all extensions and renewals thereof, excluding only United States intent-to-use trademark applications to the extent that and solely during the period in which the grant of a security interest therein would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(ii) all rights of any kind whatsoever of the Borrower accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(iii) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(iv) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

(2) Release of Security Interest in Collateral. The Agent hereby terminates, releases and discharges its security interest in the Trademark Collateral.

(3) Reassignment. The Agent hereby reassigns, grants and conveys to the Borrower, without any representation, recourse or undertaking by the Agent, all of the Agent's right, title and interest in and to the Trademark Collateral.
