TRADEMARK ASSIGNMENT

WHEREAS, Atmospheric and Space Technology Research Associates, LLC, a limited liability company organized under the laws of Texas (“**Assignor**”), is the owner of the trademark registrations shown in ATTACHMENT 1 (collectively, these rights shall be referred to as the “**Trademarks**”); and

WHEREAS, Astra Space, Inc., a Delaware corporation, with an address of 1690 Orion St., Alameda, CA 94501 (“**Assignee**”), pursuant to a certain agreement between the parties, desires to acquire all right, title, and interest in and to the Trademarks, all goodwill and common law rights appurtenant thereto, and Assignor desires to assign the same to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys and transfers to Assignee all rights, title, and interest in and to the Trademarks and the goodwill and common law rights appurtenant thereto, and including the following:

1.3 Any and all of Assignor’s rights, privileges and priorities provided under applicable law with respect to the Trademarks, including, without limitation, Assignor’s common law rights and rights under any relevant laws, including any and all rights to bring an action, whether at law or in equity, for infringement, misappropriation, unfair competition, dilution or other violation, any and all rights to any income, royalties, damages and payments which become due or payable in respect thereof on or after the effective date of this Assignment, and any and all rights in and to all claims (including claims for past, current or future infringement or misappropriation of intellectual property rights and the rights to any damages, proceeds and other remedies or recoveries relating thereto), counterclaims, defenses, causes of action, demands, judgments, rights of recovery, rights of set-off, rights of subrogation and all other rights of any kind of Assignor against any third party, to the extent relating to the Trademarks (regardless of whether such rights are exercisable).

2. Recordation and Further Actions. Assignor will not execute any writing nor do any act conflicting with this Assignment, and Assignor will upon reasonable request, without further consideration, execute such additional writings necessary for the prosecution, maintenance and renewal of the Trademarks before the United States Patent and Trademark Office or any equivalent authorities in foreign countries, as Assignee or its successors and assigns may deem reasonably necessary up and until the Assignment is made effective, at which time all such aforementioned actions and/or responsibilities on behalf of Assignor outlined in this section will cease.
