Reference is made to (a) that certain Indenture, dated as of February 12, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Indenture”), by and among the Issuers, the guarantors from time to time party thereto and U.S. BANK NATIONAL ASSOCIATION, as Trustee and as Collateral Agent and (b) that certain Notes Collateral Agreement, dated as of February 12, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), by and among the Issuer, the other Grantors from time to time party thereto and the Collateral Agent. Pursuant to the Collateral Agreement, each Grantor agreed to execute this Agreement in order to record the security interest granted to the Collateral Agent for the benefit of the First Lien Notes Secured Parties with the United States Patent and Trademark Office. In consideration of the foregoing, and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement or the Indenture, as applicable. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Initial Additional First Lien Obligations, each Grantor, pursuant to and in accordance with the Collateral Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the First Lien Notes Secured Parties, a security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under any Trademarks now owned or at any time hereafter acquired by such Grantor, or in which such Grantor now has or at any time in the future may acquire any right, title or interest, including those listed on Schedule I, all extensions or renewals thereof, all goodwill associated therewith or symbolized by the foregoing; and all rights to sue for past, present and future infringements of any of the foregoing (the “Trademark Collateral”); *provided* that the Trademark Collateral shall not include, and in no event shall the Security Interest attach to, any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto.

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5. Rights of the Collateral Agent. The Collateral Agent assumes no responsibility for the correctness of the recitals contained herein, and the Collateral Agent shall not be responsible or

accountable in any way whatsoever for or with respect to the validity, execution or sufficiency of this Agreement and makes no representation with respect thereto. U.S. Bank National Association is executing this Agreement not in its individual or corporate capacity, but solely in its capacity as First Lien Notes Collateral Agent under the Indenture. In connection with this Agreement, to the extent not already provided for herein, the Collateral Agent shall be entitled to the benefit of every provision of the Indenture limiting the liability of or affording rights, privileges, protections, exculpations, immunities, indemnities or other benefits to the Collateral Agent as if they were each expressly set forth herein for the Collateral Agent's benefit mutatis mutandis.

SECTION 6. No Partnership or Joint Venture. Nothing herein contained shall constitute a partnership between or joint venture by the parties hereto or constitute any party the agent of any other. No party shall hold itself out contrary to the terms of this Section and no party shall become liable by any representation, act or omission of the other contrary to the provisions hereof. This Agreement is not for the benefit of any third party and shall not be deemed to give any right or remedy to any such party whether referred to herein or not.
