Notice of Grant of Security Interest in Trademarks

Trademark Security Agreement, dated as of January 4, 2021, by each signatory hereto (each a “Grantor” and collectively, the “Grantors”), in favor of U.S. BANK NATIONAL ASSOCIATION, in its capacity as Notes Collateral Agent pursuant to the Indenture (in such capacity, the “Notes Collateral Agent”).

W i t n e s s e t h:

Whereas, each Grantor is party to that certain. Security Agreement, dated as of January 4, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), in favor of the Notes Collateral Agent pursuant to which such Grantor is required to execute and deliver this Trademark Security Agreement;

Now, therefore, in consideration of the premises and to induce the Notes Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, each Grantor hereby agrees with the Notes Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby grants to the Notes Collateral Agent for the benefit of the Secured Parties a Lien on and continuing security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor (collectively, the “Applicable Collateral”):

- (a) Trademarks of such Grantor, including those listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (other than Excluded Property).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Notes Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the release of the Lien provided for in the Security Agreement (as set forth in the Security Agreement and/or the Indenture, as the case may be) with respect to all or any portion of the Applicable Collateral (including in connection with the Disposition thereof), the Notes Collateral Agent shall execute, acknowledge, and deliver to each

Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in all or such portion of the Applicable Collateral under this Trademark Security Agreement, without recourse, representation or warranty by the Notes Collateral Agent.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Trademark Security Agreement shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means. All notices, approvals, consents, requests and any communications hereunder must be in writing, provided that any such communication sent to the Notes Collateral Agent hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign, AdobeSign or such other digital signature provider as specified in writing to the Notes Collateral Agent by the authorized representative of the applicable Grantor. Each Grantor agrees to assume all risks arising out of the use of using digital signatures and electronic methods to submit communications to the Notes Collateral Agent, including without limitation the risk of the Notes Collateral Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 6. Concerning the Notes Collateral Agent. U.S. Bank National Association is entering into this Trademark Security Agreement solely in its capacity as Notes Collateral Agent under the Indenture and not in its individual or corporate capacity. In acting hereunder, the Notes Collateral Agent shall be entitled to all of the rights, privileges and immunities set forth in the Indenture and the other Notes Documents as though fully set forth herein.
