## FIRST LIEN TRADEMARK SECURITY AGREEMENT

This **FIRST LIEN TRADEMARK SECURITY AGREEMENT** (as amended, restated, supplemented, waived or otherwise modified from time to time) (this “Agreement”), dated as of December 22, 2020, is entered into by Berry Global, Inc. (the “Company”), certain subsidiaries of the Company identified on the signature pages hereto (such subsidiaries and together with the Company, the “Grantors”) in favor of U.S. Bank National Association, as collateral agent (in such capacity, the “Collateral Agent”) for the Secured Parties (the “Secured Parties”).

**WHEREAS**, the Company, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, as representatives of the several initial purchasers listed on Schedule 1 thereto (the “Representatives”) and the guarantors party thereto have entered into a purchase agreement, dated as of December 15, 2020 (as amended, restated, supplemented, waived or otherwise modified from time to time, the “Purchase Agreement”), pursuant to which the Company issued and sold its 1.57% First Priority Senior Secured Notes due 2026 (the “Securities”).

**WHEREAS**, the Securities were issued by the Company pursuant to Indenture dated December 22, 2020 (as amended, restated, supplemented, waived or otherwise modified from time to time, the “First Priority Notes Indenture”) by and among the Company, the guarantors party thereto and U.S. Bank National Association, as trustee (the “Trustee”), the Collateral Agent.

**WHEREAS**, the Company, each subsidiary of the Company identified therein as a party and the Collateral Agent have executed and delivered that certain Collateral Agreement, dated as of the date hereof, in favor of the Collateral Agent (as amended, restated, supplemented, waived or otherwise modified from time to time, the “Collateral Agreement”).

**WHEREAS**, under the terms of the Collateral Agreement, the Grantors have granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantors to the Collateral Agent for the benefit of the Secured Parties, and have agreed as a condition thereof to execute this Agreement for recording with the United States Patent and Trademark Office and other applicable Governmental Authorities;

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantors and the Secured Parties hereby agree as follows:

SECTION 1. DEFINED TERMS. Capitalized terms not otherwise defined herein have the meanings set forth in the Collateral Agreement.

SECTION 2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following, whether now owned or existing or hereafter acquired or arising and wherever located:

(a) all trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations thereof (if any), and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof (except for “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of Lanham Act has been filed, to extent, if any, that any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act), including, but not limited to, the registrations and applications referred to on Schedule A hereto (as such schedule may be amended or supplemented from time to time);

(b) all renewals thereof,

(c) all goodwill associated therewith or symbolized thereby,

(d) all claims for, and rights to sue for, past or future infringements of any of the foregoing; and

(e) all income, royalties, damages and payments now or hereafter due and payable with respect to any of the foregoing, including damages and payments for past or future infringement thereof.

SECTION 3. PRECEDENCE. The security interest granted hereby is granted in conjunction with the security interest granted to the Secured Parties under the Collateral Agreement. The rights and remedies of the Secured Parties with respect to the security interest granted hereby are in addition to those set forth in the Collateral Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Collateral Agreement, the terms of the Collateral Agreement shall control.

SECTION 4. RECORDATION. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

SECTION 5. MODIFICATION OF AGREEMENT.
