TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of April 1, 2021 (this “Trademark Security Agreement”), made by GALAXY ACTIVE LLC, a Delaware limited liability company, APEX GLOBAL BRANDS INC., a Delaware corporation, SPELL C. LLC, a Delaware limited liability company, HAWK 900 BRANDS LLC, a Delaware limited liability company, and EDCA LLC, a Delaware limited liability company (each a Grantor and, collectively, the “Grantors”), in favor of CAPITAL DYNAMICS US, INC., as administrative agent for the Lenders (in such capacity, the “Administrative Agent”).

Reference is made to the Amended and Restated Loan and Security Agreement, dated as of April 1, 2021 (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “Loan Agreement”), among GALAXY UNIVERSAL LLC, a Delaware limited liability company (the “Borrower”), GALAXY INTERMEDIATE LLC, a Delaware limited liability company (“Holdings”), the guarantor subsidiaries party thereto from time to time (together with the Borrowers and Holdings, collectively, the “Loan Parties”), the financial institutions which are now or which hereafter become a party thereto (collectively, the “Lenders” and each individually a “Lender”) and the Administrative Agent, pursuant to which each Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and to induce the Lenders to extend and/or maintain credit under the Loan Agreement, each Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein and not defined have the meaning given to them in the Loan Agreement.

SECTION 2. Grant of Security Interest in Trademarks. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under all Trademarks (as defined in the Loan Agreement) now owned or at any time hereafter acquired by such Grantor, including (a) the trademarks and trademark applications listed on Schedule I attached hereto, (b) all of the goodwill of such Grantor’s business connected with the use of and symbolized by such Trademarks, (c) all rights to sue or otherwise recover for any past, present and future infringement, dilution, or other violation thereof, (d) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, proceeds of suit and other payments now or hereafter due and/or payable with respect thereto, and (e) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (the “Trademark Collateral”). This Agreement is not to be construed as an assignment of any trademark or trademark application. Notwithstanding anything herein to the contrary, the Trademark Collateral shall not include, and in no event shall the Security Interest attach to, any intent-to-use trademark applications filed in the United States Patent and Trademark Office, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the accepted filing of a “Statement of Use” or an “Amendment to Allege Use” with respect thereto, solely to the extent, if any, that, and solely during the period, if

any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent to use application under applicable federal law.

SECTION 3. Security Agreement. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Loan Agreement, and the Administrative Agent and each Grantor hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Loan Agreement, the provisions of the Loan Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery by email, .pdf or other electronic transmission of an executed counterpart of a signature page to this Trademark Security Agreement shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective as to each Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and its permitted successors and permitted assigns. This Trademark Security Agreement is an Other Document.

SECTION 5. Recordation. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Termination. Upon the termination of the Loan Agreement in accordance with its terms, the Administrative Agent shall, if requested by the Grantors and at the Grantors' sole expense, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the security interest in the Trademark Collateral under this Trademark Security Agreement.

[Signature pages follow]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
