INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (“**IP Assignment**”), dated as of May 18, 2021, is made by Agneta LLC (“**Assignor**”), a Delaware Limited Liability Company, in favor of Teatulia, PBC (“**Assignee**”), a Delaware Public Benefit Corporation.

WHEREAS, Assignor has converted to a Public Benefit Corporation and desires to convey, transfer, and assign to Assignee all intellectual property of Assignor, and has agreed to execute and deliver this IP Assignment, for recording with the United States Patent and Trademark Office (“**USPTO**”), the United States Copyright Office (“**USCO**”), the World Intellectual Property Office (“**WIPO**”), and any other intellectual property offices as necessary, and Assignee desires to acquire such intellectual property rights; and

WHEREAS, Assignor and Assignee desire that the recorded ownership of such intellectual property rights be accurate, including the recorded ownership with the USPTO, USCO, WIPO, and any other intellectual property offices as necessary.

NOW THEREFORE, Assignor and Assignee agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor’s right, title, and interest in and to the following:

(a) all trademark registrations and trademark applications which Assignor has a right, title, and interest in or to including, without limitation, those set forth on hereto and all issuances, extensions, and renewals thereof (the “**Assigned Trademarks**”), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks;

(b) all patent registrations and patent applications which Assignor has a right, title, and interest in or to including, without limitation, those set forth on Schedule 2 hereto and all issuances, continuations, reissues, reexaminations, extensions, and renewals thereof (the “**Assigned Patents**”);

(c) all copyrighted materials and copyrights therein created by common law and any registrations and copyright applications registered and applied therefor, and all issuances, extensions, and renewals thereof (the “**Assigned Copyrights**”);

(d) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(e) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(f) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to

and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the USPTO, USCO, WIPO, and any other intellectual property offices as necessary to record and register this IP Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request, and at Assignee's sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks, Assigned Patents, and Assigned Copyrights to Assignee.

3. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

4. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law. This IP Assignment and any claim, controversy, dispute, or cause of action whether in contract, tort, or otherwise based upon, arising out of, or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Colorado, without giving effect to any choice or conflict of law provision.

[SIGNATURE PAGE FOLLOWS]

WHEREOF, Assignor has duly executed and delivered this IP Assignment as of the date first written above.
