TERMINATION OF INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Termination of Intellectual Property Security Agreement (this "Termination"), dated as of June 1, 2021, is executed by Goldman Sachs Bank USA, as Collateral Agent (the "Collateral Agent") in favor of Cellxion, LLC, FWT, L.L.C., Midwest Underground Technology, Inc., Sabre Communications Corporation and Sabre Industries, Inc. (each a "Grantor" and together the "Grantors").

RECITALS

WHEREAS, the Grantors and the Collateral Agent, as collateral agent for the benefit of the Secured Parties, entered into (i) a certain Guarantee and Collateral Agreement, dated as of April 15, 2019 in favor of Collateral Agent (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Collateral and Guarantee Agreement"), and (ii) a certain Intellectual Property Security Agreement dated as of April 15, 2019 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement," collectively, the "Security Agreements");

WHEREAS, pursuant to the Security Agreements, each Grantor granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the Collateral, including Patents, Trademarks and Copyrights;

WHEREAS, the patents of the IP Security Agreement were recorded in the United States Patent and Trademark Office on April 19, 2019 at reel 048934 and frame 0743 and the trademarks of the IP Security Agreement were recorded in the United States Patent and Trademark Office on April 19, 2019 at reel 6623, frame 0943; and the copyright of the IP Security Agreement was recorded in the United States Copyright Office on April 23, 2019 at Volume V9974, Document 099;

WHEREAS, Collateral Agent desires to release any security interest and any other lien it or the Secured Parties may have in the Collateral, and assign all right, title and interest it or the Secured Parties may have in and to the Intellectual Property Collateral back to Grantors; and

WHEREAS, the each Security Agreement has been terminated.

NOW, THEREFORE, for good and valuable consideration, including the satisfaction of all obligations, indebtedness and liabilities secured by the Intellectual Property Collateral pursuant to the Security Agreements, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent on behalf of itself and the Secured Parties agrees as follows:

1. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the IP Security Agreement or Guarantee and Collateral Agreement, as applicable.
2. The Collateral Agent is executing and delivering this Termination as further evidence of the termination of the Security Agreements and the release of any security interests created thereunder.
3. The Collateral Agent, on behalf of itself and the other Secured Parties, hereby claims no further right, title, or interest whatsoever in or to any and all of the Collateral, and accordingly, the Collateral Agent hereby expressly on behalf of itself and the other Secured Parties, hereby absolutely, unconditionally fully and irrevocably releases, terminates and discharges any security interests, pledges or liens that Collateral Agent or any other Secured Party may have in and to any and all of the Collateral (including but not limited to the Collateral listed on Exhibit A hereto).

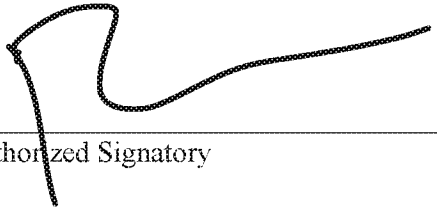

4. The Collateral Agent agrees that, at the Grantors' sole expense, it shall execute all other documents and do all other acts as reasonably requested by Grantors to relinquish and effect the release of its security interest in the Collateral and authorizes and requests that the United States Patent and Trademark Office (or any equivalent or successor office) note and record the release hereby given and any other filings necessary to evidence the release and termination of the Collateral Agent's and each Secured Party's rights and interests under the Security Agreements.

5. This Termination and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.
