FORM OF NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

This NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (the “Notice”) is made and entered into as of May 14, 2021 by those entities listed on Exhibit 1 attached hereto (each, a “Grantor”), in favor of CITIBANK, N.A., a national banking association (“Citibank”), as trustee located at 388 Greenwich Street, New York, New York 10013 (“Trustee”).

WHEREAS, each Grantor is the owner, as applicable, of the United States trademarks and service marks set forth in Schedule 1 attached hereto, including the associated registrations and applications for registration set forth in Schedule 1 attached hereto (collectively, the “Trademarks”) and the goodwill connected with the use of or symbolized by such Trademarks; and

WHEREAS, pursuant to the Guarantee and Collateral Agreement, dated as of May 14, 2021 by and among AB SPE Guarantor LLC, a Delaware limited liability company, Villa BidCo Inc., a Delaware corporation, each as a Guarantor, and the Trustee (as amended, restated, supplemented or otherwise modified from time to time, the “Guarantee and Collateral Agreement”), to secure the Obligations, each Grantor has granted to the Trustee for the benefit of the Secured Parties, a security interest in each Grantor’s right, title and interest in, to and under certain intellectual property of each Grantor, as applicable, including the Trademarks and the goodwill connected with the use of or symbolized by the Trademarks, and the right to bring an action at law or in equity for any infringement, misappropriation, dilution or other violation thereof, and to collect all damages, settlements and proceeds relating thereto, and, to the extent not otherwise included, all payments, proceeds, supporting obligations and accrued and future rights to payment with respect to the foregoing (collectively the “Trademark Collateral”); and

WHEREAS, pursuant to Section 3.5(b) of the Guarantee and Collateral Agreement, each Grantor agreed to execute and deliver to the Trustee this Notice for purposes of filing the same with the United States Patent and Trademark Office (“USPTO”) to confirm, evidence and perfect the security interest in the Trademark Collateral granted under the Guarantee and Collateral Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and subject to all applicable terms and conditions of the Indenture (as defined below) and the Guarantee and Collateral Agreement, which are incorporated by reference as if fully set forth herein, to secure the Obligations, each Grantor hereby grants to the Trustee, for the benefit of the Secured Parties, a security interest in such Grantor’s right, title and interest in, to and under the Trademark Collateral, to the extent now owned or at any time hereafter acquired by each Grantor, as applicable; *provided that* the grant of security interest hereunder shall not include any application for registration of a Trademark that would be invalidated, canceled, voided or abandoned due to the grant and/or enforcement of such security interest, including intent-to-use applications filed with the USPTO pursuant to 15 U.S.C. Section 1051(b) prior to the filing and acceptance of a statement of use or amendment to allege use pursuant to 15 U.S.C. Section 1051(c) or (d), *provided that* at such time as the grant and/or enforcement of the security interest will not cause such application to be invalidated, cancelled, voided or abandoned, such Trademark application will not be excluded from the Notice.

Capitalized terms used in this Notice (including the preamble and the recitals hereto), and not defined in this Notice, shall have the meanings assigned to such terms in Annex A attached to the Base Indenture, dated as of May 14, 2021, by and among AB Issuer LLC, a Delaware limited liability company, and Citibank, as Trustee and Securities Intermediary (the “Indenture”).

1. The parties intend that this Notice is for recordation purposes. The terms of this Notice shall not modify the applicable terms and conditions of the Indenture or the Guarantee and Collateral Agreement, which govern the Trustee’s interest in the Trademark Collateral and which shall control in the event of any conflict. Each Grantor hereby acknowledges the sufficiency and completeness of this Notice to create a security interest in the Trademark Collateral in favor of the Trustee for the benefit of the Secured Parties, and each Grantor hereby requests the USPTO to file and record this Notice together with the annexed Schedule 1.

2. Each Grantor and Trustee hereby acknowledge and agree that the grant of security interest in, to and under the Trademark Collateral made hereby may be terminated only in accordance with the terms of the Indenture and the Guarantee and Collateral Agreement and shall terminate automatically upon the termination of the Indenture or the Guarantee and Collateral Agreement.

3. THIS NOTICE SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK).

4. This Notice may be executed by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, the undersigned have caused this NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS to be duly executed by its duly authorized officer as of the date and year first written above.
