WITNESSETH:

WHEREAS, pursuant to the terms of that certain Loan and Security Agreement dated as of July 13, 2017 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement") by and among the Grantors and the other borrowers party thereto (collectively with any other borrowers from time to time party to the Loan Agreement, the "Borrowers"), the guarantors from time to time party thereto, the financial institutions from time to time party thereto as lenders (the "Lenders"), and the Agent, the Lenders have agreed to provide Loans to the Borrowers;

WHEREAS, pursuant to the Loan Agreement, each Grantor has granted to the Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of each Grantor's right, title and interest in, to and under all Collateral, including the Trademark Collateral (as defined below), in each case whether now owned or hereafter acquired and wherever located to secure the prompt payment and performance of its Obligations;

WHEREAS, the parties to the Loan Agreement contemplate and intend that the Agent, on behalf of the Secured Parties, shall have all rights of a secured party in and to the Trademark Collateral and any proceeds thereof, including, without limitation, if an Event of Default shall occur and be continuing, the right to exercise its remedies under the Loan Agreement in connection with all of each Grantor's right, title and interest in the Trademark Collateral; and

WHEREAS, pursuant to the Loan Agreement, the Grantors are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Grantors agree as follows:

Section 1. Defined Terms

Unless otherwise defined herein, capitalized terms used herein have the meanings given to them in the Loan Agreement.

Section 2. Grant of Security Interest in Trademarks

Each Grantor hereby grants to the Agent, for the benefit of the applicable Secured Parties, a continuing security interest in and Lien upon all of such Grantor's right, title and interest in, to and under (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, trade styles, logos, Internet domain names, other indicia of origin

or source identification, and general intangibles of a like nature (“Trademarks”), whether registered or unregistered, and all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, in each case to the extent included in the Collateral, including but not limited to the Trademarks listed on Schedule A, (b) all registrations and applications for registration thereof; (c) all extensions and renewals thereof, (d) all rights to sue or otherwise recover for any past, present and future infringement, dilution or other violations thereof, (e) all proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto; (f) all embodiments or fixations thereof and all related documentation, applications, registrations and franchises; (g) all licenses or other rights to use any of the foregoing; (h) all books and records relating to the foregoing, and (i) all other rights of any kind accruing thereunder or pertaining thereto throughout the world, in each case whether now owned or hereafter acquired and wherever located (collectively, the “Trademark Collateral”).

Section 3. Security for Obligations

This Agreement secures, and the Trademark Collateral is collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a) (and any successor provision thereof)), of all Obligations.

Section 4. Security Agreement

The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Agent, for the benefit of the Secured Parties, pursuant to the Loan Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall control.

Section 5. Recordation

The Grantors hereby authorize and request that the Commissioner of Trademarks and any other applicable United States government officer record this Agreement in the United States Patent and Trademark Office.

Section 6. Miscellaneous

This Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.
