SECURITY AGREEMENT (INTELLECTUAL PROPERTY)

This Security Agreement (Intellectual Property) (as amended, restated, supplemented or replaced from time to time, this "**Agreement**") is dated this 28th day of May, 2021.

WHEREAS Prolenium Medical Technologies Inc. (the "**Debtor**") is the owner of the intellectual property set forth in Schedule A hereto, the registrations and applications for the intellectual property identified therein, all reissues, continuations or extensions of the foregoing, any underlying goodwill associated with such intellectual property and all proceeds of the foregoing, including, without limitation, any claim by the Debtor against any third parties for past, present or future infringement or any dilution of such intellectual property or injury to the goodwill associated with any such intellectual property; ; provided that no security interest shall be granted in any United States "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such "intent to use" trademark applications under applicable federal law (collectively, the "**Intellectual Property**");

AND WHEREAS the Debtor, *inter alios*, has delivered a general security agreement dated on or about the date hereof (as it may be amended, restated, supplemented or otherwise modified from time to time, the "**Security Agreement**") to Bank of Montreal (the "**Secured Party**").

AND WHEREAS pursuant to the Security Agreement, the Debtor pledges, assigns, mortgages and charges to the Secured Party and grants to the Secured Party a security interest in favor of the Secured Party in, *inter alia*, all present and after-acquired intangible personal property of the Debtor including all of its present and future goodwill of the businesses with which the Intellectual Property is associated, intellectual property and claims and causes of action of every nature and kind, including without limitation the Intellectual Property (the "**Security Interest**");

AND WHEREAS the Debtor and the Secured Party desire to record this Agreement with the United States Patent and Trademark Office to provide third parties with notice of the grant of the Security Interest;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in accordance with the terms and obligations set forth in the Security Agreement, the Debtor hereby confirms the granting of the Security Interest to the Secured Party.

The Debtor agrees that this Agreement may be recorded with the United States Patent and Trademark Office and such other authorities as the Secured Party desires to provide notice to third parties of the Security Interest granted under the Security Agreement.

Notwithstanding the foregoing, nothing herein shall be deemed to supersede, nor shall anything herein be used for the purpose of interpreting, the Security Agreement, and this Agreement is not intended to alter in any way the rights or obligations of the Debtor or the Secured Party set forth in the Security Agreement. For the avoidance of doubt, if the terms of this Agreement conflict with the Security Agreement, the terms of the Security Agreement shall govern.

This Agreement may be executed by facsimile or pdf, and any signature contained hereon by facsimile or pdf shall be deemed to be equivalent to an original signature for all purposes.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York and the federal laws of the United States of America applicable therein.

[Remainder of page intentionally blank; signature page follows.]

IN WITNESS WHEREOF, this Agreement has been executed and delivered by the Debtor under the hands of its proper officers duly authorized in that behalf.
