TRADEMARK ASSIGNMENT

This Trademark Assignment (“**Assignment**”), is made as of April 30, 2021, by and between **Battelle Memorial Institute**, a nonprofit corporation organized under the laws of Ohio (the “**Assignor**”), and **AmplifyBio, LLC**, a Delaware limited liability company (the “**Assignee**”).

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks identified on **Exhibit A** (the “**Assigned Marks**”), including the corresponding trademark applications and registrations therefor, and the goodwill of the business associated therewith; and

WHEREAS, Assignor and Assignee are desirous of transferring all of Assignor’s rights, title and interests in, and to the Assigned Marks to Assignee

NOW, THEREFORE, in consideration of the foregoing, and the mutual promises, covenants and conditions contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agrees as follows:

1. Assignment. Assignor does hereby assign, transfer, convey and set over unto Assignee its full rights, title and interests in and to the Assigned Marks, together with the goodwill of the business symbolized by said Assigned Marks and that portion of Assignor’s business which pertains to the referenced intent-to-use application filed pursuant to Section 1(b) of the United States Trademark Act, and all rights appurtenant thereto, including without limitation any and all common law rights, applications, registrations, renewals or extensions in any country or locality worldwide and the right to recover damages and profits for past, present, or future infringements or unauthorized uses of the Assigned Marks, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made.

2. Further Assurances. Upon request of Assignee, its successors and assigns, Assignor agrees to reasonably cooperate with Assignee, its successors and assigns, and execute and deliver without further compensation any and all instruments or documents reasonably necessary or desirable to secure to Assignee, its successors and assigns, the full enjoyment of the rights and properties conveyed by this Assignment.

3. Recordation. Battelle hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America, or with respect to any foreign applications or registrations for the Assigned Trademarks, the foreign equivalent as the case may be, to record this Trademark Assignment, evidencing Assignee as owner of the Assigned Trademarks and to issue any and all registrations, including renewals thereof, to Assignee, its successors, assigns, nominees or other legal representatives.
