TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of July 12, 2021, by CRAMER PRODUCTS, INC., PERFORMANCE HEALTH GROUP, LLC, PERFORMANCE HEALTH HOLDINGS, INC., and STROMGREN ATHLETICS, INC. (individually, a “**Grantor**”, and collectively, the “**Grantors**”), in favor of ANKURA TRUST COMPANY, LLC, in its capacity as administrative agent pursuant to the Credit Agreement (in such capacity, the “**Administrative Agent**”).

WITNESSETH:

WHEREAS, the Grantors are party to a Security Agreement dated as of July 12, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Administrative Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby grants to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties and their permitted successors and assigns a continuing security interest in, and lien on, all of its right, title and interest in any and all of the following Collateral (excluding any Excluded Assets) of such Grantor:

- (a) registered Trademarks and Trademark applications of such Grantor listed on Schedule I attached hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by the foregoing;
- (d) any and all claims for damages and injunctive relief for past, present and future infringement, misappropriation, violation or misuse with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- (e) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms of which are incorporated by reference herein as if fully set forth herein. In

the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent and the Grantor shall otherwise determine.

SECTION 4. Termination or Release. Upon the termination of the Security Agreement or release of a Grantor in accordance with Section 6.11 thereof, the Administrative Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the security interest in the Trademarks of such Grantor under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.
