## TRADEMARK ASSIGNMENT

This Trademark Assignment (the "*Assignment*") is entered into and is effective as of July 30, 2021 (the "*Effective Date*"), by and between XpresTest, Inc. a Delaware Corporation having a place of business at 254 West 31<sup>st</sup> Avenue, 11<sup>th</sup> Floor, New York, New York 10001 USA (the "*Assignor*"), and Treat, Inc., a Delaware Corporation, having a place of business at 254 West 31<sup>st</sup> Avenue, 11<sup>th</sup> Floor, New York, New York 10001 USA (the "*Assignee*").

The Assignor hereby transfers and assigns to Assignee, effective as of the Effective Date, all worldwide right, title, and interest in and to the trademarks, trade names, service marks, applications and registrations described in Exhibit A, which is attached hereto and is incorporated by reference herein, and the goodwill of the business associated therewith (collectively, the "*Marks*").

For good and valuable consideration by Assignee, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby assign unto the Assignee, as of the Effective Date, all of its right, title, and interest in and to the Marks, free and clear of all liens and encumbrances, except for only permitted liens and encumbrances agreed upon by the parties and contemplated in the Merger Agreement being concurrently executed herewith, together with all of the goodwill of the business associated with and symbolized by such Marks, the applications and registrations therefor, and any rights of the Assignor to sue any third parties for any past infringement of or to the Marks, for the use and behalf of Assignee and its successors, assigns or other legal representative and to prosecute such applications and registrations in the United States Patent and Trademark Office or in any foreign jurisdiction. To the extent that any of the trademarks being assigned pursuant to this Assignment are the subject of an intent-to-use application filed under §1(b) of the U.S. Trademark Act, 15 U.S.C. Section 1051(b), for which a Statement of Use has not yet been filed in the U.S. Patent and Trademark Office, this Assignment is being made to a successor to the business of the Assignor to which such trademarks specifically pertain.

After the Effective Date, at the request of the Assignee and at the Assignee's expense, but without additional consideration to the Assignor, the Assignor will execute and deliver to the Assignee, from time to time such further instruments of conveyance, transfer, and assignment and other documents, and will take such other actions, as the Assignee may reasonably require to convey and deliver more effectively to the Assignee the Marks, to perfect the Assignee's title thereto, and otherwise to accomplish the orderly transfer to the Assignee of the Marks and to give full effect to this Trademark Assignment.

This Trademark Assignment is binding on the Assignor and its respective successors and assigns, and inures to the benefit of the Assignee and its successors and assigns.
