WHEREAS, Assignor is the owner of the works and related subject-matter set forth in Schedule B attached hereto and incorporated herewith, and all versions thereof, and all worldwide copyrights therein and other copyright rights appurtenant, including but not limited to, all rights of reproduction, distribution, public display, public performance, preparation of derivative works, Moral Rights (as defined below), claims for damages and other remedies by reason of past infringement of any of the foregoing rights, with the right to sue for and collect the same for Assignee’s own use and benefit, and all other rights recognized or arising under the laws of the United States of America and all other countries and jurisdictions of the world, or any treaty to which any of the foregoing countries may be a party, for all the residue now unexpired of the present term and any term that may thereafter be granted (hereinafter collectively referred to as the “Copyrights”);
