NOW, THEREFORE, for valuable consideration, the receipt of which is acknowledged, the parties hereto agree as follows:

1. ASSIGNMENT.

The Assignor does hereby sell, assign, transfer and set over to Assignee all of its right, title, and interest in and to the Trademarks in the United States and all jurisdictions outside the United States including, without limitation, the ongoing and existing portion of the Assignor's business associated with the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to sue and recover for any past or continuing infringements or contract breaches related to the Trademarks, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.
