## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this “Agreement”), dated as of December 21, 2021, is made by the entities listed as Grantors on the signature pages hereto (each, a “Grantor” and collectively, “Grantors”), in favor of Icahn Enterprises Holdings, L.P., a Delaware limited partnership (the “Lender”).

Grantors have executed and delivered a Pledge and Security Agreement, dated as of August 13, 2021, with and in favor of the Lender for the ratable benefit of the Secured Parties (as amended, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”). Grantors have pledged and granted to the Lender a continuing security interest in all Intellectual Property, including the Trademarks.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Grantors agree, for the benefit of the Lender, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement have the meanings provided or provided by reference in the Pledge and Security Agreement or Credit Agreement referred to therein.

2. Grant of Security Interest. Grantors, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of each such Grantor, hereby pledge and grant to the Lender a continuing security interest in, all of the Grantors’ right, title and interest in, to and under the following Collateral of each such Grantor (the “Trademark Collateral”):

(a) all of its Trademarks and all trademark licenses, including, without limitation, those referred to on Schedule 1 hereto but excluding any intent-to-use United States trademark applications or servicemark applications for which an amendment to alleged use or statement of use has not been filed under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted by the United States Patent and Trademark Office; all renewals and extensions of the foregoing;

(b) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(c) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lender in connection with the Pledge and Security Agreement and is expressly subject to the terms and conditions thereof (which are incorporated by reference herein as if fully set forth herein). The Pledge and Security Agreement (and all rights and remedies of the Lender thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantors do hereby further acknowledge and affirm that the rights and remedies of the Lender with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Pledge and Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together constitute one and the same original.

6. Governing Law. THIS AGREEMENT SHALL BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.

[signature pages follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
