TRADEMARK AND PATENT SECURITY AGREEMENT

THIS TRADEMARK AND PATENT SECURITY AGREEMENT (the "Agreement") made as of this 17 day of February, 2022 by **CROCS, INC.**, a Delaware corporation ("Crocs"), and **JIBBITZ, INC.**, a Colorado corporation ("Jibbitz" and together with Crocs, the "Grantors" and each, a "Grantor"), in favor of **PNC BANK, NATIONAL ASSOCIATION**, in its capacity as administrative agent ("Administrative Agent") for the Lenders.

W I T N E S S E T H

WHEREAS, Crocs, Inc. ("Crocs"), Crocs Retail, LLC ("Crocs Retail"), Jibbitz, Colorado Footwear C.V. ("CFCV") and Crocs Europe B.V. ("CEBV", and together with Crocs, Crocs Retail, Jibbitz and CFCV, the "Borrowers") has entered into that certain Second Amended and Restated Credit Agreement with Administrative Agent, the subsidiaries party thereto from time to time as Guarantors and the institutions from time to time parties thereto as lenders (collectively, the "Lenders") dated as of July 26, 2019 (as amended by the First Amendment, dated as of March 26, 2020, Second Amendment, dated as of November 13, 2020, Third Amendment, dated as of July 23, 2021, and the Fourth Amendment, dated as of the date hereof and as further amended, restated, supplemented or modified from time to time, the "Credit Agreement") providing for the Loans to be made to Borrowers by Lenders;

WHEREAS, each Grantor has granted to Administrative Agent, for its own benefit and for the benefit of Lenders, a security interest in substantially all of the assets of such Grantor, including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired trademarks and patents, together with the goodwill of the business symbolized by such Grantor's trademarks and patents and all products and proceeds thereof, to secure the payment of all amounts owing by the Borrowers and the other Grantors under the Credit Agreement and other Loan Documents;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Incorporation of Credit Agreement. The Credit Agreement and the terms and provisions thereof are hereby incorporated in their entirety by this reference. All terms capitalized but not otherwise defined herein shall have the same meanings ascribed to them in the Credit Agreement or the Security Agreement (as defined in the Credit Agreement), as applicable.

2. Grant of Security Interests. To secure the payment and performance of the Obligations under the Credit Agreement and the other Loan Documents, each Grantor hereby grants to Administrative Agent, for its benefit and the benefit of Lenders, a continuing security interest in such Grantor's entire right, title and interest in and to the following whether now owned or existing or hereafter created, acquired or arising:

(i) each Trademark listed on Schedule 1 attached hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark. For the avoidance of doubt, any "intent-to-use" Trademark application filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051 shall not be subject to the

security interest granted under this Section 2 during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use application or registration issuing, unless and until an “Amendment to Allege Use” or a “Statement of Use” has been filed;

(ii) each Patent listed on Schedule 2 attached hereto, together with any reissues, continuations or extensions thereof; and

(iii) all products and proceeds of the forgoing, including without limitation, any claim by such Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or Patent, or (b) injury to the goodwill associated with any Trademark.

3. Representations and Warranties. Each Grantor hereby represents and warrants that the Trademarks listed on Schedule 1 and the Patents listed on Schedule 2 attached hereto constitute all currently issued trademark registrations, currently pending trademark applications, currently issued patent registrations and currently pending patent applications owned or registered to such Grantor as of the date of this Agreement.

4. Termination of Security Interest. The security interest described herein shall continue in effect to secure all Obligations from time to time incurred or arising unless and until all Obligations have been indefeasibly paid and satisfied in full and the Credit Agreement has been terminated.

5. APPLICABLE LAW. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER THE LAWS OF THE STATE OF NEW YORK AND FOR ALL PURPOSES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF SAID STATE WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.

6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or by email as a “.pdf” or “.tif” attachment or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement. It is understood and agreed that, subject to any Requirement of Law, the words “execution”, “signed”, “signature”, “delivery” and words of like import in or relating to any Loan Document shall be deemed to include any Electronic Signature, delivery or the keeping of any record in electronic form, each of which shall have the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar state laws based on the Uniform Electronic Transactions Act.

[Signatures to appear on following page]

IN WITNESS WHEREOF, Grantor has duly executed this Agreement as of the date first written above.
