TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is made on October 12, 2022, by and among Grantor listed on the signature pages hereto (“Grantor”), and **MADISON PACIFIC TRUST LIMITED**, a company duly incorporated and existing under the laws of Hong Kong with its registered offices at 17/F, Far East Finance Centre, 16 Harcourt Road, Admiralty, Hong Kong (“Madison Pacific”), as security trustee for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, “Security Agent”).

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement, dated as of the date hereof (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”), by and among **SUTHERLAND GLOBAL HOLDINGS INC.**, a Delaware corporation (“Parent”), as a Guarantor, **SUTHERLAND GLOBAL SERVICES UK LTD**, a company incorporated in England and Wales with its registered office address at 843 Finchley Road, London, United Kingdom, NW11 8NA (“Borrower”), certain Subsidiaries of Parent as Guarantors, **DBS BANK LTD.**, as mandated lead arranger and bookrunner, Madison Pacific, as agent of the Finance Parties and as Security Agent, and the Lenders identified on the signature pages thereto, the Lenders have agreed to make certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof;

WHEREAS, the Lenders are willing to make the financial accommodations to Borrower as provided for in the Credit Agreement and the other Finance Documents, but only upon the condition, among others, that Grantor shall have executed and delivered to Security Agent, for the benefit of the Secured Parties, that certain Security Agreement, dated as of October 12, 2022 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, amended and restated, supplemented or otherwise modified, the “Security Agreement”); and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Security Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1(b) of the Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Grantor hereby grants, assigns, and pledges to Security Agent, for the benefit each Secured Party, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

(a) all of its Trademarks and Intellectual Property Licenses under which a Trademark is licensed to which it is a party including those referred to on Schedule I;

(b) all extensions and renewals thereof;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(d) all products and proceeds (as that term is defined in the UCC) of the foregoing, including any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive income, license fees, royalties, and other compensation under any Trademark Intellectual Property License now or hereafter due and/or payable with respect thereto.

Notwithstanding the foregoing, the Trademark Collateral does not include any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law; provided, that upon submission and acceptance by the PTO of an amendment to allege use or a statement of use pursuant to 15 U.S.C. Section 1051(c) or 1051(d) (or any successor provisions), such intent-to-use trademark application shall be considered Trademark Collateral.

3. **SECURITY FOR SECURED OBLIGATIONS.** This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantor to Security Agent, the Secured Parties or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving Grantor.

4. **RECORDATION.** Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement with the U.S. Patent and Trademark Office.

5. **SECURITY AGREEMENT.** The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Security Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Security Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

6. **AUTHORIZATION TO SUPPLEMENT.** If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give notice in writing to Security Agent with respect to any such new Trademarks or renewal or extension of any Trademark registration in accordance with Section 7(g)(iv) of the Security Agreement. Without limiting Grantor's obligations under this Section, Grantor hereby authorizes Security Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Security Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

7. **COUNTERPARTS.** This Trademark Security Agreement is a Finance Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and

all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. The words "execution," "execute", "signed," "signature," and words of like import in or related to this Trademark Security Agreement and any document to be signed in connection with this Trademark Security Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Security Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

8. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE PROVISION. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING APPLICABLE LAW, CONSENT TO JURISDICTION AND WAIVER OF JURY TRIAL WAIVER SET FORTH IN SECTION 26, SECTION 27 AND SECTION 28, RESPECTIVELY, OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Security Agreement to be executed and delivered as of the day and year first above written.
