TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (“**Trademark Assignment**”), dated as of March 21, 2022, is made by AMIC Global, Inc., an Illinois corporation (“**AMIC**”), Earth’s Natural Alternative, Inc., an Illinois corporation (“**ENA**”), HUMI Corporation, an Illinois corporation (“**HUMI**” and, collectively with AMIC and ENA, the “**Assignor**”), in favor of and Component Sourcing International, LLC, a Delaware limited liability company (“**Assignee**”).

WHEREAS, under the terms of an Asset Purchase Agreement between the parties, Assignor has agreed to convey, transfer, and assign to Assignor, among other assets, certain intellectual property of Assignee, and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office (“**USPTO**”).

NOW THEREFORE, the parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor’s right, title, and interest in and to the following (the “**Assigned Trademarks**”):

(a) the trademark and/or service mark registrations and applications set forth on Schedule A hereto for the marks listed on Schedule A as well as all issuances, extensions, and renewals thereof (the “**Assigned Trademarks**”), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks;

(b) all rights of any kind whatsoever of Assignor accruing under any of the Assigned Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the Assigned Trademarks; and

(d) any and all claims and causes of action with respect to any of the Assigned Trademarks, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the USPTO to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, at Assignee’s sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.

3. Terms of the Asset Purchase Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Asset Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned Trademarks. The representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement and ancillary shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

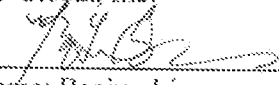

4. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

5. Successors and Assigns. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
