INTELLECTUAL PROPERTY ASSIGNMENT

This Assignment of Intellectual Property, made effective as of December 9, 2022, transfers and assigns from LOYALTY BOUND, LLC, a Texas limited liability company (the "Assignor"), to AFG HOLDING, LLC, an Oklahoma limited liability company (the "Assignee"), for the United States, its territories and possessions, and worldwide, all of the Assignor's right, title, and interest in and to each of the trade secrets and all proprietary information, know how, show how, or technical data related to or used in the conduct of the business of Assignor and proprietary documentation relating thereto throughout the world; all trade names, trademarks, service marks, or logos (whether registered or in common law) relating to or used in the conduct of the business of Assignor and any registrations and any registrations or applications for registration therefore throughout the world; all copyrights (whether registered or in common law) relating to or used in the conduct of the business of Assignor and any registrations or applications for registration therefore throughout the world; all databases and data collections relating to or used in the conduct of the business of Assignor and all rights therein throughout the world; all domain names, and web sites relating to or used in the conduct of the business of Assignor; all curriculum and products offered by Assignor in the conduct of its business, including the names associated with such curriculum or products; and any similar or equivalent rights to any of the foregoing anywhere in the world used in, for, or by, or that relates to the business of Assignor (collectively, the "Intellectual Property").

WHEREAS, the Assignor desires to assign and the Assignee desires to acquire the Intellectual Property assets of the Assignor;

WHEREAS, Assignor has adopted, used, is using and is the owner of the Intellectual Property, and has agreed to transfer and assign the Intellectual Property to the Assignee as provided herein;

NOW, THEREFORE, for good and valuable consideration received, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby assign unto the Assignee all of its right, title, and interest in the United States of America (the "US") and worldwide in and to the Intellectual Property, together with all of the goodwill associated with and symbolized by such Intellectual Property, the applications and registrations thereof and therefor, and any rights of the Assignor to sue any third parties for any past infringement of or to the Intellectual Property, and the valid and effective licensing agreements with third parties, for the use of Assignee and its successors, assigns or other legal representatives and to prosecute such applications and registrations in the United States Patent and Trademark Office and other foreign trademark offices.

Nothing contained in this Intellectual Property Assignment shall be deemed to supersede any of the representations, warranties, covenants or otherwise expand any of the rights or remedies of the Assignee with respect to the transactions contemplated thereby. This Intellectual Property Assignment is binding on the Assignor and its successors and assigns, and inures to the benefit of the Assignee and its successors and assigns.
