TRADEMARKS ASSIGNMENT

This Trademarks Assignment (the “**Assignment**”) is entered into as of September 21, 2022, by and between Leia Inc., a Delaware corporation (“**Assignor**”), and Leia SPV LLC, a Delaware limited liability company and a wholly-owned subsidiary of Assignor (“**Assignee**”).

RECITALS

WHEREAS, Assignor has adopted, used and is the sole and exclusive legal and beneficial owner of various registered trademarks and trademark applications set forth on the attached **Schedule A**, and all rights applicable thereto, including, but not limited to, all common law rights, causes of action, and the right to recover for past infringement, dilution or other misappropriation (hereinafter collectively the “**Trademarks**”); and

WHEREAS, in accordance with the terms of the Contribution Agreement, dated as of the date hereof, between Assignee and Assignor (the “**Contribution Agreement**”), Assignor has agreed to assign, transfer and convey the Trademarks to Assignee and Assignee desires to acquire the Trademarks, together with the associated goodwill;

NOW, THEREFORE, IT IS AGREED THAT:

1. Assignor hereby assigns, transfers and conveys to Assignee all of Assignor’s right, title and interest in and to the Trademarks, including, without limitation, all goodwill of the Assignor or its business, products and services appurtenant thereto, associated with or symbolized by the Trademarks and/or the use thereof; the right (but not the obligation) to sue and recover for past, present and future infringements of the Trademarks; the right to prosecute trademark applications for the Trademarks; all rights (but not obligations) corresponding to the Trademarks throughout the world in perpetuity; all renewals of the Trademarks; all rights and interests pursuant to licensing or other agreements in favor of the Assignor pertaining to the Trademarks now or in the future owned or used by third parties; and all proceeds of any of the foregoing (such as, by way of example, license royalties and proceeds of infringement suits).

2. Assignor authorizes all applicable international and domestic (whether local, state or federal) agencies, registries and authorities in all jurisdictions (whether domestic or international) to transfer all registrations for the Trademarks to Assignee or as Assignee may otherwise direct.

3. Upon Assignee’s request, Assignor and its officers, representatives and successors shall perform all acts reasonably necessary to ensure the full and complete enjoyment by Assignee of all right, title and interest in and to the Trademarks, including, without limitation, the execution, delivery, filing and recording, at Assignor’s expense, of such further assignments, certificates, applications, instruments and other documents as may be requested by Assignee.

4. THIS ASSIGNMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO CONFLICTS OF LAW PRINCIPLES THEREOF OTHER THAN SECTION 5-1401 AND SECTION 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

[Remainder of Page Intentionally Left Blank]

5. This Assignment may be executed in counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same agreement. If any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

IN WITNESS WHEREOF, the parties have executed this Assignment as of the date first written above.
