TRADEMARK SECURITY AGREEMENT, dated as of April 7, 2023 (this “Agreement”), among Acres Technology and Acres Manufacturing Company (each a “Grantor”, and collectively, the “Grantors”) and Alter Domus (US) LLC, as Collateral Agent (the “Collateral Agent”).

Reference is made to that certain Convertible Note, dated as of April 7, 2023 (the “Convertible Note”), among Acres Technology (the “Maker”), Acres Manufacturing Company, each of the Holders and Alter Domus (US) LLC, as Collateral Agent. The Holders have agreed to purchase Convertible Notes subject to the terms and conditions set forth in the Convertible Note. Pursuant to the Convertible Note, each Grantor has granted to the Collateral Agent, for the benefit of the Holders, a lien on and security interest in, all of its right, title and interest in, to and under certain intellectual property, including the Trademarks (as defined below). Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Convertible Note.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the obligations of the Maker under the Convertible Note, each Grantor, pursuant to the Convertible Note, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Holders, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or hereafter acquired by such Grantor or in which such Grantor now has or hereafter in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I attached hereto (the “Trademarks”);

(b) all goodwill associated with or symbolized by the Trademarks; and

(c) all other assets, rights and interests that uniquely reflect or embody the Trademarks or the goodwill thereof.

Notwithstanding the foregoing, no applications for registration of Trademarks filed in the United States Patent and Trademark Office on an intent-to-use basis will be included in the Trademark Collateral until such time as a statement of use has been filed and accepted by the United States Patent and Trademark Office with respect to such Trademark, to the extent that the grant of a security interest in any such Trademark application would adversely affect the validity or enforceability or result in cancelation or voiding of such Trademark application.

SECTION 3. Convertible Note. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Convertible Note. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Convertible Note, the terms and provisions of which are

hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Convertible Note, the terms of the Convertible Note shall govern.

SECTION 4. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
