## TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT dated as of June 23, 2023 (this “Agreement”), between FMC TECHNOLOGIES, INC., a Delaware corporation, and CONTROL SYSTEMS INTERNATIONAL, INC., a Kansas corporation (together, the “Grantors,” and each a “Grantor”) and DNB BANK ASA, NEW YORK BRANCH (“DNB”), as Administrative Agent for the Secured Parties.

Reference is made to (a) the Performance LC Credit Agreement dated as of April 24, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among TECHNIPFMC PLC, a public limited company incorporated under the laws of England and Wales (the “Company”), FMC TECHNOLOGIES, INC., a Delaware corporation (the “U.S. Borrower”), TECHNIPFMC FINANCE LIMITED, a private company limited by shares organized under the laws of England and Wales (“FinanceCo”, and, together with the Company and the U.S. Borrower, the “Borrowers”), the Lenders and Issuing Banks from time to time party thereto and DNB, as Administrative Agent, and (b) the Security Agreement dated as of April 24, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among the U.S. Borrower, the Grantors from time to time party thereto and DNB, as Administrative Agent. The Lenders and the Issuing Banks have extended, and have agreed to extend, credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The Grantors (other than the Borrowers) are Affiliates of the Borrowers, will derive substantial benefits from the extension of credit to the Borrowers under the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Banks to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Security Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under the portion of the Article 9 Collateral constituting United States Trademarks (in each case, including those listed on Schedule I hereto but excluding any Trademarks that are Excluded Personal Property), now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or any time hereafter may acquire any right, title or interest (collectively, the “Trademark Collateral”).

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Administrative Agent for the benefit of the Lenders in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark

Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 5. CHOICE OF LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.
