INTELLECTUAL PROPERTY SECURITY AGREEMENT

INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of May 1, 2023 (this “**Agreement**”), by each of the Grantors listed on the signature pages hereto (each such subsidiary individually, a “**Grantor**” and, collectively, the “**Grantors**”) in favor of Wilmington Savings Fund Society, FSB, as Collateral Agent under the Credit Agreement (as defined below) (in such capacity, the “**Collateral Agent**”) for the benefit of the Secured Parties.

1. Reference is made to (i) the Term Loan Credit Agreement, dated as of May 1, 2023 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified or replaced from time to time, the “**Credit Agreement**”), among Avaya Inc., a Delaware corporation (the “**Company**”), Avaya Holdings Corp., a Delaware corporation (“**Holdings**”), each of the lending institutions from time to time party thereto and Wilmington Savings Fund Society, FSB, as Administrative Agent and Collateral Agent and (ii) the Term Loan Security Agreement, dated as of May 1, 2023 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified or replaced from time to time, the “**Security Agreement**”), among the Company, Holdings, each of the other grantors party thereto from time to time and the Collateral Agent. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in Credit Agreement or the Security Agreement, as applicable.

2. The Grantors have identified on Schedule I, II and III hereto the Copyrights, Patents and Trademarks registered or applied for with the United States Patent and Trademark Office or the United States Copyright Office acquired by such Grantors as of the date hereof. The undersigned Grantors are executing this Agreement in order to facilitate filings to be made with the United States Copyright Office and the United States Patent and Trademark Office.

Accordingly, the Collateral Agent and the Grantors agree as follows:

SECTION 1. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all right, title and interest in or to the Intellectual Property set forth in Schedules I, II and III hereto (such Intellectual Property, collectively, the “**Collateral**”). Each Grantor hereby represents and warrants that the information set forth on Schedules I, II and III hereto is true and correct in all material respects as of the date hereof.

SECTION 2. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (e.g., a “pdf” or “tif” file)), and all of said counterparts taken together shall be deemed to be originals and constitute one and the same instrument. This Agreement shall become effective as to each Grantor when the Collateral Agent shall have received counterparts of this Agreement that, when taken together, bear the signatures of such Grantor and the Collateral Agent.

SECTION 3. Upon the termination of the Credit Agreement and the Security Agreement, the Collateral Agent shall, at the expense and reasonable request of the Grantors, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the lien on and security interest in the Intellectual Property under this Agreement, without recourse to or representation or warranty by the Collateral Agent of any kind.

SECTION 4. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

**SECTION 5. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

SECTION 6. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Security Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement.

SECTION 8. This Agreement is made to secure the satisfactory performance and payment of the Obligations. This Agreement and the security interest granted hereby shall terminate in accordance with Section 7.5 of the Security Agreement.

SECTION 9. Each Grantor agrees to reimburse the Collateral Agent for its respective reasonable and documented out-of-pocket costs and expenses in connection with this Agreement, including the reasonable and documented fees, other charges and disbursements of one firm of counsel, and, if necessary, one firm of regulatory counsel and/or one firm of local counsel in each appropriate jurisdiction, in each case to the Administrative Agent and the Collateral Agent (and, in the case of an actual or perceived conflict of interest where the Person affected by such conflict, retains its own counsel of another firm of counsel for such affected Person).
