TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Assignment") is made and entered into as of April 5, 2024 (the "Effective Date") by and among Vivasor, Inc., a Delaware corporation ("Assignee") and Sorrento Therapeutics, Inc., a Delaware corporation ("Assignor"). The Assignee and the Assignor are sometimes referred to in this Assignment together as the "Parties" or individually as a "Party".

WHEREAS, Assignor is the sole and exclusive owner of the trademarks and the corresponding trademark applications and registrations on the attached Schedule A, and the goodwill appertaining thereto and incorporated herewith, and all other rights appurtenant, including without limitation common law rights, title and interest (collectively, the "Assigned Trademarks");

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of March 8, 2024, by and among Assignee, and the Assignor and, solely for the purposes of Section 3.1(b)(v) and Section 6.6, Henry Ji (as amended, restated, modified or supplemented from time to time, the "Asset Purchase Agreement"), the Assignor has agreed to sell to Assignee, the Assigned Trademarks and all associated goodwill;

WHEREAS, it is Assignor's intention to assign and transfer to Assignee all of Assignor's right, title, and interest in and to the Assigned Trademarks to Assignee, and all rights to sue and recover damages for past, present and future infringement, dilution, misappropriation, violation, unlawful imitation or breach thereof;

WHEREAS, it is Assignee's desire to purchase or acquire all of Assignor's right, title and interest in and to the Assigned Trademarks, together with the goodwill of the business connected with the use of and symbolized by the Assigned Trademarks; and

WHEREAS, Assignee is the successor to the portion of the business to which the Assigned Trademarks pertain, and that business is ongoing and existing, pursuant to Section 10 of the Trademark Act, 15 U.S.C. § 1060; 37 C.F.R. § 3.16.

NOW, THEREFORE, in consideration of mutual covenants and agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Definitions. All capitalized terms used in this Assignment that are not defined herein shall have the meanings set forth in the Asset Purchase Agreement.

2. Assignment. In consideration for the payment of the Purchase Price, Assignor hereby conveys, transfers, assigns, and delivers to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the Assigned Trademarks, together with the goodwill of the business symbolized in the Assigned Trademarks, and all other corresponding rights that are or may be secured under the laws of the United States and any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present, or future

infringement or other unauthorized use of the Assigned Trademarks, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

3. Assistance. Assignor agrees to execute any further papers as may be necessary and proper to vest full title in and to the Assigned Trademarks and other corresponding rights in the Assignee. Assignor hereby consents to the recordation of the Assignment with the United States Patent and Trademark Office, and all relevant foreign trademark offices. Assignor will assist Assignee as reasonably necessary to secure, perfect, maintain or evidence the rights hereby transferred. The individuals signing this document on behalf of corporate entities represent and declare that they are authorized to execute this document on behalf of such corporate entities.

IN WITNESS WHEREOF, each of the Parties has caused this Assignment to be executed on its behalf by a representative duly authorized, all as of the Effective Date.
