

# FASTPATH HALLWAY NAVIGATION SYSTEM

**When seconds  
count...get there in  
seconds.**

**Cut emergency times in half  
with FastPath.**

Fast Path Navigation Systems For School Safety

**The FastPath Hallway Navigation System embodies the R6 motto –Move with a Purpose.**

In an emergency, every second counts – especially when law enforcement, fire or emergency medical service personnel are dispatched to schools, businesses and industries. Knowing where to go and how to get there in the least amount of time is crucial. FastPath ensures first responders can navigate unfamiliar at a glance and dispatchers have the critical information that makes timely life-saving decisions.

R6's direct approach to training delivers activities, exercises and drills designed specifically to provide practical application responses in active shooter and other violent situations.

According to the Department of Homeland Security, "In the midst of the chaos, anyone can play an integral role in mitigating the impacts of an active shooter incident."

Knowing how to make the right decision in an active shooter or other violent incident, can provide precious time for emergency personnel to arrive and ultimately, save lives.

## R6 offers customized training classes for:

- First Responders
- Officers

- Businesses
- Schools
- General Public
