So much more...

We've bundled all this and more into a convenient and budget-friendly membership

[Try it Free!]

* Active A List members may request a Free Atlassian Health Check once per Atlassian platform per year through our member-only 'JustAsk' system.
** Applies to Server-based commercial apps only under Appfire's "Bob Swift" and "Wittified" add-on brands. NOT applicable to Cloud-based apps. NEW is defined as having been launched commercially by the Appfire family to the Atlassian Marketplace for the first time within the twelve (12) month period prior to each request.

The A List Helps Teams Succeed with Atlassian

"It's been incredible to just ask a question and get the exact Atlassian advice I need."

Brad Dupuis, MA

"The free check-ups and apps are a huge plus. I'm loving The A List."

Glen Macdonald, UT

"In a short amount of time, Appfire's A List has saved me over 100 man hours."

Ernesto Fausto, CA
