### Your MyIDCare Alerts are Activated

8/12/19

We have you covered. The following MyIDCare identity theft protection services have been activated:

- CyberScan™

You will receive an email notification from us anytime we find activity associated with the information you have given us to monitor. Thank you for your trust in MyIDCare. If you have any questions about your protection, please don't hesitate to contact us. We're here so you can breathe easy and leave your identity theft worries to us.
