THE GENIUS, POP-UP ORGANIZER

FOR THE TRAVELING WOMAN OR WOMAN AT HOME.

THE TRAVELER'S unique design includes a carry tray and **3 POP-UP** cosmetic boxes that travel flat for convenience. When you get to where you are going, the boxes pop-up intuitively.

Each box is cleverly stair-stepped to hold mascaras, pencils, brushes, lipsticks. The boxes fit securely into the sturdy, go-anywhere tray base, so makeup won't wobble around or fall
