

## Bridal Veil® Hibiscus

Hibiscus rosa-sinensis 'Monora'  
Sku #4087

Cherished for its large, pristine white, single blooms, each lasting 3 to 4 days. The dense, lush, glossy green foliage and very showy tropical flowers work beautifully as screening, a background specimen, or a container plant near a patio, gateway, or pool. A frost-tender evergreen.

Flower attributes	Flowers for Cutting, Showy Flowers
Garden style	Contemporary, Tropical
Design Ideas	Plant next to patios, entries and in courtyards, where its beauty can be accentuated with flowers beneath and vines overhead. With its glossy, dense foliage, this Hibiscus creates a solid hedge or screen. Plant as a specimen to highlight entries or gateways. Very good choice against hot colored plaster or stucco walls. A good cover for unsightly side yard fences and spaces between windows. Most charming when trained into a patio tree and planted in large pots stuffed with annual color.
Companion Plants	Verbena (Verbena); Passion Flower (Passiflora); Princess Flower (Tibouchina); Plumbago (Plumbago); Purple Fountain Grass (Pennisetum)
