recycle | replastic | results

We are at the cutting edge of environmentally conscious packaging materials with our EcoStar material. EcoStar is a food grade, approved, post-consumer recycled PET material that is made from curbside collected bottles and thermoplastics and is 100% recyclable. Commitment to recycling PET by reclaiming plastic bottles and plastic thermoplastics is how we at Pison make simply, better, packaging. Reuse, recycle and replastic is our vision to get the most out of plastic.

- 100% RECYCLABLE
- FOOD GRADE PET MATERIAL
- POST-CONSUMER RECYCLED PET

“We believe in conserving resources, and in a world of scarce resources, anytime you can use something over again you're preserving that molecule and using it in its highest and best”
