Certus is a brand-new pest control company built on a philosophy of **People First, Quality Service, and Building Lifetime Customers**. Over the next few years we expect to build a Top 10 PCT company through close partnerships with leading pest management operators.

Our team has taken twenty-plus years of industry experience and brought a new way of thinking to pest control. Simply put, we believe there is always a better way - not only in the pest control methods we use, but in how we operate our business itself. In the coming years, we look forward to continuing to evolve and improve both our business and those of our partners.
