### Product description

UKHP 0.3mm 9H Optical Glass LCD Screen Protector for Fujifilm X-Pro2.

UKHP Optical Glass Screen Protector is the new generation of self-adhesive glass LCD screen protector for digital cameras.

Not only UKHP screen protector will protect your camera LCD screen from scratches and damage, but it is also designed to work with touch screen and swivel screen on modern cameras.

UKHP glass screen protectors do not use glue - they attach to the LCD screen with a strong silicon adhesive for fast, easy and seamless installation without affecting the sensitivity of the touch screen.

Only just 0.3mm.

UKHP screen protectors have a frame design makes them look and feel like they are part of the camera. Small screen protectors also included if your camera has a top screen or a small info LCD.

#### Features:

- Automatic installation activated by touch
- Impact resistant and shatter proof
- Adhesive free
- Anti glare
- Smudge resistant
- Touch and Swivel screen compatible
- No glue residue after removal
- Frame design
