### RAPID Business Cards (4+)

Rapid Square Inc.

★★★★★ 4.6, 17 Ratings

Free

### Screenshots iPhone iPad

The network you associate with is one of the most important parts of growing your business, RAPID Business Cards will help leave a lasting impression on the connections you make. In 2019, paper business cards are in desperate need of an update, the battle of having stacks and stacks of business cards to sort through can be enough of a pain, and that doesn't even begin to acknowledge having to keep a pocket filled with your own cards everyday. [more](#)

### What's New

Minor bugs fixes

**This app has changed my life!**  
RAPID is absolutely fantastic! I'm not only saving money by no longer having to order business cards but I'm also saving trees! Not to mention the efficiency it brings by offi [more](#)

**Amazing!**  
This app has been amazing for me, I'm always forgetting to bring biz cards out with me, but who needs them anymore. The future is NOW! Also, every single time I've used the app. [more](#)

**So useful!**  
Great app and love that when you add a contact you have the option to save right into your phone - name, phone number, title, and email address all together. It makes getti [more](#)
