Please Note: For immediate download of PDF products, purchase the PDF separately from other merchandise. Otherwise, when you purchase physical products along with the PDF, the file will not be available to download until the entire order is processed and shipped, which may take 2-3 days.

Product Description

God is completely just and equally full of grace and mercy. Despite all of Israel's wickedness, the book of Amos was meant to shock Israel out of its rebellion and back to God in repentance and worship. Judgment was coming through the Assyrian army, but God was going to save a remnant in Israel for His glory. This remnant would be characterized by genuine faith in God.

We are expecting to have this book printed and ready to ship by October 25.

We will have a 10% discount pre-order sale on this book between October 1-15.

- The book has 36 studies through Amos
- The book is about 114 pages in length
- Dimensions are 6" x 9"
- This product is "perfect bound" (regular book binding)
- Useful for individual Bible study or small groups
