

Little Rascal® Holly (Male)

Ilex x meserveae 'Mondo'
Sku #4535

This extremely cold hardy, beautiful little evergreen shrub provides outstanding low growing bright green foliage with excellent, dense branching and deep purple winter color. A great choice for a low-maintenance garden. The dense, compact form has a rounded shape fitting nicely in today's landscapes. Useful as a pollinizer for female blue hollies.

Design Ideas	This beautiful little holly provides outstanding low growing bright green foliage to gardens. Size makes it a problem solver for small gardens needing a solid evergreen structural shrub. Excellent for neatening up the front of shrub borders and foundation planting. Use in irregular groups for naturalistic planting schemes or line up as an informal edging. Ideal for pots and troughs and raised planters.
Companion Plants	Lily of the Valley (Pieris); Magnolia (Magnolia); Rhododendron (Rhododendron); Hydrangea (Hydrangea); Mountain Laurel (Kalmia)
