Civilization VI: Gathering Storm @CivGame 27 Sep

Before you jump into Civilization VI when it launches on #PS4 and #Xbox on November 22, you need to decide which civ and leader you'll play as.

Who are you picking in your first game?

Civilization VI: Gathering Storm @CivGame 23 Sep

G-Orchestra is back at it again with a lovely new tune inspired by Civilization VI. This time, it's the Romans getting the jazzy treatment. 🎵 ✓

ABOUT CIVILIZATION VI

Originally created by legendary game designer Sid Meier, Civilization is a turn-based strategy game in which you attempt to build an empire to stand the test of time. Become Ruler of the World by establishing and leading a civilization from the Stone Age to the Information Age. Wage war, conduct diplomacy, advance your culture, and go head-to-head with history's greatest leaders as you attempt to build the greatest civilization the world has ever known.

Civilization VI offers new ways to engage with your world: cities now physically expand across the map, active research in technology and culture unlocks new potential, and competing leaders will pursue their own agendas based on their historical traits as you race for one of five ways to achieve victory in the game.

ABOUT CIVILIZATION

RELEASE DATE: SEPTEMBER 1991

Civilization is the game that lets you match wits with history's greatest leaders. You start at the dawn of recorded history – 4,000 B.C., and the founding of the first cities – then nurture your society toward the Space Age. In the beginning, you'll labor to simply survive while building your settlements, discovering new technologies and fending off barbarians. As your empire prospers, you'll face competing civilizations guided by history's most legendary figures: Alexander the Great, Napoleon, Genghis Khan, Julius Caesar and more. You'll test your capacity for expansion and domination and your ability to outwit and outmaneuver those cunning and brilliant leaders.
